Building Sustainable Peace

JA Banks

Building Sustainable Peace:

Building Sustainable Peace Ada van der Linde, Rachel Naylor, 1999 Intense fighting in the Northern Region of Ghana in 1994 and 1995 led to the loss of 15 000 lives and the displacement of 200 000 people A formal peace treaty negotiated by the government ended the fighting but did not address the underlying causes of the conflict which was a complex mix of economic political and ethnic factors An informal consortium of NGOs initially involved in delivering humanitarian aid set up a parallel peace process seeking to build up trust through a series of peace education workshops and the creation of a multi ethnic Youth and Development Association The success of the process was symbolized by the signing of the Kumasi Peace Accord in 1996 This report commissioned by the Northern Ghana Inter NGO Consortium demonstrates how a network of NGOs sharing skills and building up local capacities can play an invaluable role in promoting a sustainable peace after conflict

Building Sustainable Communities Md. Nurul Momen, Rajendra Baikady, Cheng Sheng Li, M. Basavaraj, 2020-11-12 The book aims to explore South Asian third sector the nonprofit organizations as provider of social services The book defines social welfare and describe its relationship to social service programmes and individual well being understands the social policy development from the problem identification to policy implementation describes the range of organization of social service agencies that are responsible for providing social welfare programmes explores the various roles that professional and non professional helpers provide in the delivery of social welfare and their influence in promoting change in policy development and understands the umbrella concept of Child welfare welfare of people with disability and elderly welfare in welfare policy

Patterns of Sustaining Peace Julia Leib, 2024-09-26 This book explores how to establish peace in societies recovering from large scale armed conflicts by introducing the sustaining peace scale as a continuous measure for peacebuilding success Drawing on an extensive data collection of peacebuilding episodes over almost three decades the author analyses the impact of four peacebuilding practices international commitment power sharing security sector reform and transitional justice Having established the framework the author applies it to the peacebuilding processes in Sierra Leone and South Africa An important contribution to the literature on successful peacebuilding this book will be essential reading for peacebuilding scholars and practitioners

Building Peace from Within Maphosa, Sylvester B., DeLuca, Laura, Keasley, Alphonse, 2014-02-07 This book seeks to examine how successful models of building peace from within in the African context function It draws emerging lessons to provide critical recommendations on policy practice and academia our primary audience While there are numerous examples of failures of conflict resolution in Africa shown by intractable conflict axes less attention is paid to successes While acknowledging the challenges that exist this edited volume provides positive examples of building peace from within in fragile contexts through many forms of initiatives and actions at different levels community based through individual and or collective local peace initiatives government through ministries and or departments and regional through external and or multilateral infrastructure for peace As a guiding principle the notion of

building peace from within draws from the idea of community regeneration which describes voluntary and peaceful activities of grassroots actors that reflect their broader interests of building peaceful communities and existence *Integrated Approaches to Peace and Sustainability* Ayyoob Sharifi, Dahlia Simangan, Shinji Kaneko, 2023-01-30 This book provides new insights into the development of integrated approaches to peace and sustainability in the era of global change Since the late 1980s and in order to regulate the increasingly detrimental impacts of humans on the environment the transition towards sustainability has been high on the agenda of researchers and policymakers alike Meanwhile peace considerations have expanded in recent decades to include the varied types and sources of conflict from inter state to intra state conflicts due to various social political economic and environmental factors Through providing theoretical and empirical insights this book demonstrates that sustainability and peace as intrinsically interrelated The book elaborates on the multi dimensional and constantly evolving concepts of sustainability and peace In addition the book contributes to a better understanding of the complex and dynamic interlinkages between peace and sustainability by presenting examples of pathways where sustainability and peace interact considering the different factors and contexts that are constantly shaping and reshaping the conditions for sustainable and peaceful societies **Gender, Development, and Humanitarian Work** Caroline Sweetman, 2001 While the difficulties of integrating gender equity goals into interventions are acknowledged the authors argue that gender blind responses can further endanger the survival of women and their families and their long term position in society and also deny them the opportunity of exercising their potential as peace builders *Anti-Terrorism Strategies and Urban Warfare Tactics* Pasquale De Marco, 2025-08-11 Anti Terrorism Strategies and Urban Warfare Tactics A Comprehensive Guide for Military and Security Forces In the ever changing landscape of modern warfare urban environments have become the primary battleground The dense and complex terrain of cities combined with the presence of large civilian populations presents unique challenges for military and security forces This comprehensive guide provides a detailed overview of the strategies tactics and techniques used in urban warfare counter terrorism and urban peacemaking Written by a team of experienced military and law enforcement professionals this book offers a deep dive into the complexities of urban operations It begins by examining the challenges of urban warfare including the need to adapt tactics to the unique terrain and the importance of protecting civilians The book then discusses the role of special operations forces in urban environments as well as the strategies and tactics used to counter terrorist threats and conduct hostage rescue operations The book also explores the challenges of urban counterinsurgency and peacekeeping operations It examines the complex political and social dynamics of urban areas and the need to build partnerships with local forces and communities The book also discusses the role of urban security forces in preventing crime and maintaining public order Finally the book looks to the future of urban warfare and the challenges that military and security forces will face in the 21st century It examines emerging trends in urban warfare such as the use of new technologies and the changing nature of terrorism and

insurgency The book also discusses the need to develop new strategies and tactics to prepare for urban warfare in the future Whether you are a military or security professional a policymaker or a scholar interested in urban warfare counter terrorism or urban peacemaking this book is an essential resource It provides a comprehensive overview of the challenges and complexities of urban operations and offers valuable insights into the strategies and tactics that can be used to achieve success in these challenging environments If you like this book write a review

The Palgrave Handbook of Sustainable Peace and Security in Africa Dan Kuwali,2022-05-24 This handbook takes stock of the African Union's Vision 2020 to rid the African continent of wars civil conflicts human rights violations and humanitarian disasters including violent conflicts and genocide and provides recommendations on how to address contemporary threats to peace and security in Africa It explores the continent's current peace and security landscape including new actors emerging threats and the prospects for achieving sustainable peace With contributions from highly respected experts in the field both academics and practitioners the volume unpacks the sources of conflict instability and the challenges of peace and development and provides research based policy advice to guide and inform African governments policy makers practitioners and scholarly audiences on the continent and beyond

Transforming Our World Together towards Sustainable Development Dominic Savio,Samrat Roy,Saswati Chaudhuri,2022-12-21 This volume focuses on policies that will help transform the world into a better place in which to live It draws from various methodologies across different disciplines pertaining to humanities social economic political and life sciences The book showcases certain case studies of Jesuit education which helps in providing for a sustainable future through compassion and cooperation Each individual chapter being non technical in nature provides a thorough synthesis and understanding of the research strand pioneered by its respective author

Old Peace Efforts Amelia Khatri,AI,2025-02-13 Old Peace Efforts explores the evolution of conflict resolution by comparing historical diplomatic practices with modern international relations It argues that lessons from past peace attempts can inform more effective international cooperation today The book highlights the shifting nature of diplomacy the role of international institutions like the United Nations and the impact of cultural differences on peace processes A key insight is that fundamental issues such as power dynamics and national interests persistently undermine even advanced modern peace efforts The book unfolds chronologically beginning with pre 20th century diplomacy analyzing historical treaties and negotiation tactics It then transitions to the post World War II era assessing international bodies and interventions both successful and unsuccessful Finally Old Peace Efforts addresses contemporary challenges like non state actors and misinformation By integrating historical analysis with present day policy debates the book offers a nuanced perspective for students policymakers and anyone interested in international affairs
