is invoked in heated political debates over such issues as homosexuality abortion and the war on terror Readers enter classrooms that use an idealized Honest Abe to Lincolnize American schoolchildren And readers step into the alternate universe of Lincoln fiction that transforms the Rail Splitter by turns into a hapless time traveler a sentimental cyborg an axe wielding zombie slayer or a frontier heart throb But Lincoln Inc is more than a tour through the thriving Lincoln industry today Whether in staid biographies blockbuster films school pageants or sleeping pill advertisements Hogan shows how the use of the Lincoln image reveals the nation s shared fears and fascinations The book analyzes the ways we employ Lincoln today in our political ideological personal and national struggles the ways we simultaneously deify and commercially exploit him the ways he is packaged and sold in the marketplace of American ideas In learning about Lincoln Inc we learn about ourselves about who we think we are and who we wish we could be *Soldier Silhouettes on Our Front* William L.
