

The title is enclosed in a large, light-colored oval with a dark red border. This oval is part of a larger decorative frame made of brown vertical pillars. At the top, a horizontal section features a central illustration of a bridge over a river, flanked by two circular vignettes: the left one shows a coastal town, and the right one shows a steam locomotive. At the bottom, a blue ribbon banner spans the width of the frame. Below the banner is a rectangular text box with a light background and a thin border. On either side of this text box are two more circular vignettes: the left one shows a railway station with a train, and the right one shows a busy street scene with people. Small yellow labels with the text 'Old House' are placed near the bottom corners of the frame.
