

Breach of Duty

- /// A defendant breaches his duty of due care by failing to behave the way a reasonable person would under similar circumstances.
- /// Companies and Employees -- courts have found companies liable for hiring and retaining employees known to be violent, when those employees later injured co-workers.
- /// *Negligence per se* -- in special cases, legislatures set a minimum standard for certain groups of people (esp. children). When a violation of that statute hurts a member of that group, the duty is breached.
