operation and Development**

All About Saving:

Encouraging Savings and Investment United States. Congress. Senate. Committee on Finance. Subcommittee on Taxation and IRS Oversight, 2005 **International Comparisons of Household Saving** James M. Poterba, 2007-12-01
Governments and corporations may chip in but around the world household saving is the biggest factor in national saving To better understand why saving rates differ across countries this volume provides the most up to date analyses of patterns of household saving behavior in Canada Italy Japan Germany the United Kingdom and the United States Each of the six chapters examines micro data sets of household saving within a particular country and summarizes statistics on patterns of saving by age income and other demographic factors The authors provide age earning profiles and analyses of the accumulation of wealth over the lifetime in a clear way that allows quick comparisons between earning consumption and saving in the six countries Designed as a companion to Public Policies and Household Saving 1994 which addresses saving policies in the G 7 nations this volume offers detailed descriptions of saving behavior in all G 7 nations except France

Taxation and Household Saving Organisation for Economic Co-operation and Development, 1994 Bilingual background report to Taxation and household saving Fiscalit et pargne des m nages This questionnaire survey on how different types of savings by households are taxed in each of the OECD countries shows how each country views its own tax system
