The Virtual Team Maturity Model Ralf Friedrich, 2017-10-25 Ralf Friedrich developed an academically validated and process oriented maturity model with emphasis on special needs of virtual teams. He provides criteria and indicators of performance for virtual teams and combines different approaches of maturity models into an overall framework to measure and develop virtual team performance. This book describes the development and validation of the Virtual Team Maturity Model VTMM consisting of 11 processes for virtual team collaboration defined by inputs, methods, outputs, and Key Performance Indicators (KPIs) assigned to four maturity levels. The model supports an algorithm for calculating the maturity level of the team based on a set of questionnaires

Digital Leadership Zuri Deepwater, AI, 2025-03-03 Digital Leadership explores the critical skills and strategies necessary for thriving in today's digitally driven business landscape. It emphasizes the importance of not just adopting new technologies but fundamentally rethinking organizational structures to foster a digital first culture. The book also provides actionable strategies for managing virtual teams, crucial in an era where organizations that master remote collaboration gain a significant competitive advantage. For example, leaders learn how to implement communication protocols that help geographically dispersed teams feel more connected. The book progresses systematically, beginning with a definition of digital leadership and an outline of the challenges and opportunities presented by digital transformation. It then explores essential components such as building a digital strategy and fostering innovation. Later chapters address the practical aspects of managing virtual teams, culminating in a discussion of the ethical and social implications of digital technologies. The book distinguishes itself through its pragmatic approach, offering tools and strategies that leaders can implement immediately while also acknowledging the potential risks associated with technology
