Price, 2005 Price utilizes the necessary ingredients in Christian principles in instilling values needed for excelling in the 21st century This significant book teaches encourages and advises **Multisensory God Connections** Linda Van Soest Tittle, 2022-12-27 In this book the author shares the story of her personal spiritual learning quest and the specific strategies that were effective for her spiritual growth During a particularly demanding time of her life Linda felt a longing for peace and spiritual connectedness In those very busy days she questioned whether she was following the Great Commandment to love the Lord your God with all your heart with all your soul with all your mind and with all your strength Luke 10 27 She was dissatisfied with the lack of spiritual growth she experienced in the habits of praying silently and passively reading devotionals Learning to love God with heart soul mind and strength became a focus of private study and journaling which led to this book Linda began integrating short practical routines throughout her days creating several brief periods of daily spiritual connectedness Utilizing multisensory learning strategies that she used with her students she discovered more meaning in her spiritual life She concluded that part of loving God fully means loving him more actively as opposed to having a passive and lukewarm relationship with God Linda feels passionate about sharing these multisensory teaching methods for personal spiritual growth evidence based effective strategies that are widely used in academic settings but are rarely used in spiritual learning The author suggests practical ideas for connecting with God throughout busy days ways requiring more

involvement and more mental focus Also Linda offers spiritual learning ideas which address individual differences in learning styles and types of intelligence as opposed to the same methods for everyone Following the ideas in this book will keep your mind more focused on your relationship with God throughout the routines of your day while bringing more passion to your spiritual learning

Kingdom Politics Kristopher Norris, Sam Speers, 2015-04-16 American Christians weary of decades of entrenched partisan feuding are increasingly distancing themselves from politics Some however continue to turn toward the state and public policy to find solutions to the world's problems The problem is that both responses allow a narrow vision of politics to determine the church's mission and ministries which often ends up separating its commitment to personal faith from the pursuit of social justice the King from the kingdom Christians too easily forget that the church is inherently political a community defined by its allegiance to a King its citizenship in a new world and its call to work alongside others in pursuit of a new way of life The church needs a political vision that is more than blind acceptance or mere rejection of past models It needs a positive vision that takes its cues about politics not from the nation state but from another political reality the kingdom of God This book tells the stories of the visits of two researchers to five diverse congregations across the United States From the megachurch energy of Rick Warren's Saddleback Church in California to a young Emergent community in Minneapolis to the politically active home of Martin Luther King in Atlanta these stories illuminate the vastly different ways congregations understand and approach politics and offer a glimpse of a new political imagination for today's church

A Severe Mercy Mark J. Boda, 2009-06-30 The biblical theological approach Boda takes in this work is canonical thematic tracing the presentation of the theology of sin and its remedy in the canonical form and shape of the Old Testament The hermeneutical foundations for this enterprise have been laid by others in past decades especially by Brevard Childs in his groundbreaking work But *A Severe Mercy* also reflects recent approaches to integrating biblical understanding with other methodologies in addition to Childs's Thus it enters the imaginative space of the ancient canon of the Old Testament in order to highlight the word views and literary shapes of the texts taken individually and as a whole collection For the literary shape

of the individual texts it places the word views of the dominant expressions and images as well as various passages in the larger context of the biblical books in which they are found For the literary shape of the texts as a collection it identifies key subthemes and traces their development through the Old Testament canon The breadth of Boda s study is both challenging and courageous resulting in the first comprehensive examination of the topic in the 21st century [A Companion to Hellenistic Literature](#) James J. Clauss,Martine Cuyppers,2010-05-10 Offering unparalleled scope A Companion to Hellenistic Literature in 30 newly commissioned essays explores the social and intellectual contexts of literature production in the Hellenistic period and examines the relationship between Hellenistic and earlier literature Provides a wide ranging critical examination of Hellenistic literature including the works of well respected poets alongside lesser known historical philosophical and scientific prose of the period Explores how the indigenous literatures of Hellenized lands influenced Greek literature and how Greek literature influenced Jewish Near Eastern Egyptian and Roman literary works **The Bridge** Deborah Ruth Cifranic,2022-11-03 Grief fear anger and sadness seem to be a regular part of our earthly existence Life can be full of tragedies and disappointments During tragic circumstances those human emotions are completely understandable and even expected But tragic circumstances don t have to stand in the way of our joy It may seem impossible to believe right now but you truly can experience joy in all circumstances In The Bridge Crossing Over to Your Greatest Joy in the Middle of Your Darkest Night you will discover the keys to living a life filled with joy regardless of your circumstances Author Deborah Ruth Cifranic shares openly and honestly about her battles with depression grief anger and more She has found the way to experience joy even in the midst of great sorrow or loss and she wants you to find it as well The Bridge will give you the tools you need to find permanent relief from your emotional suffering and experience a life full of meaning wellness and freedom It is practical memorable and inspirational It will challenge you and encourage you and if you apply what you learn in The Bridge your life will never be the same You can be rid of your depression anxiety and misery once and for all Discover the amazing life that is waiting for you on the other side of The Bridge
