Gettysburg Newt Gingrich, William R. Forstchen, 2010-04-01 The New York Times bestselling Civil War novel a well executed alternative history that imagines a Confederate victory at Gettysburg Publishes Weekly An action packed and painstakingly researched novel by former Speaker of the House Newt Gingrich and historical fiction author William R Forstchen Gettysburg stands as the first book in a series to tell the story of how a victory for Confederate General Robert E Lee would have changed the destiny of the nation forever The year is 1863 and General Lee and his Army of Northern Virginia are poised to attack the North Launching his men into a sweeping operation Lee audaciously pursues his last best chance for ultimate victory With renewed spirit Lee s lieutenants embark on the Gettysburg Campaign that many dream should have been The soldiers in the line Yank and Reb knew as well that this would be the great challenge the decisive moment that would decide whether a nation would die or be created Both sides were ready willing to lay down their lives for their Cause Gettysburg Newt Gingrich, 2004 A fictionalized account of an alternate American Civil War based on five years of research considers how history might have transpired if General Robert E Lee had won the Battle of Gettysburg in 1863 Love Abideth Still Scott R. Rezer, 2013-11-05 March 1863 The War Between the States has raged for nearly two years Five months after his death the body of Sarah s estranged husband a Union soldier finally comes home for burial in Philadelphia Taylor s burial though rather than putting her unresolved grief to rest begins a journey that will not just test her faith but will plumb the depths of her devotion to her dead husband When anger and sorrow push her to the edge of despair Sarah turns to the few letters sent to her by Taylor from the frontlines in a desperate need to understand the guilt she feels

over his death But as the war continues to tear the nation asunder and rumors of a Confederate invasion threaten the North Sarah's own sense of patriotic duty begins to awaken And with that newfound obligation she discovers in the letters she once dismissed as weak attempts to convince her of his duty to the nation that Taylor's voice has the power to soften a heart grown bitter and cold from beyond the grave Taylor's letters though do not tell the full story of his life as a soldier a story Sarah will never know From the bloody battlefields of Winchester and Bull Run to the quiet streets of Philadelphia Love Abideth Still is a fictional story based upon the lives of the author's Civil War ancestors whose sacrifice like so many others who loved and lost during the War Between the States has not been forgotten It is a moving story of war and forgiveness one in which a young woman discovers that it is possible to fall in love again with her husband even when separated from him by the finality of death
