A Cultural Approach For Christian Community:

A Cultural Approach for Christian Community Richard R. Herman, 1991-01-01 *An Introduction to Christian Theology* Richard J. Plantinga, Thomas R. Thompson, Matthew D. Lundberg, 2022-11-03 Far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life This introduction to Christian theology exploring its basic concepts confessional content and history emphasizes the relevance of the key convictions of Christian faith to the challenges of today s world Part I introduces the project of Christian theology and sketches the critical context that confronts Christian thought and practice today Part II offers a survey of the key doctrinal themes of Christian theology including revelation the triune God and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme Part III provides an overview of Christian theology from the early church to the present Thoroughly revised and updated the second edition of *An Introduction to Christian Theology* includes a range of new visual and pedagogical features including images diagrams tables and more than eighty text boxes which call attention to special emphases observations and applications to help deepen student engagement Theology of Culture in a Japanese Context Atsuyoshi Fujiwara, 2012-07-01 The Christian faith has always stood in a place of tension between its transcendent nature and the surrounding culture On the one hand Christian faith claims to originate in the revelation of God which transforms culture itself On the other hand all such revelation is inevitably received and interpreted by humans in concrete situations It is no exaggeration to say that two millennia of church history have continually demonstrated the struggle between Christian faith and culture In an effort to address this struggle this book explores relevant issues pertinent to the relationship between faith and culture in the particular context of Japan In this unique work the context of Japan well known as a desolate swamp for Christian missions provides the setting for a re exploration of issues pertaining to theology of culture As such Japan provides both a concrete and challenging context to work out a theology of culture This book also helpfully illuminates for Western readers some key problems that may not have appeared fully in their contexts yet but will do so as the post Christendom era continues Paul on Baptism Nicholas Taylor, 2017-09-15 Drawing on recent scholarship on the Pauline tradition within early Christianity this book examines Paul s theology of baptism and highlights its practical application in ministry today It considers what the rite represented and effected in the light of the social and cultural milieu in which his letters were written and of his strategies for mission and the formation and nurture of new Christian communities The need to integrate recent scholarship with contemporary pastoral issues and to do so in a theologically reflective way is acute Using a wide range of social scientific approaches to the ancient world and Christian origins including identity religious conversion and ritual the book explores the implications of this reconstruction for contemporary issues of baptismal practice pastoral care and mission aiming to bring the insights of specialists to those working on the frontline of pastoral practice *When the Church Was a Family* Joseph H.

Hellerman,2009 A study of the early Christian church in the Mediterranean region and its emphasis on collective good over individual desire clarifies much about what is wrong with the American church today **Faithful Conversation** James M. Childs, Initiated by the ELCA seminary presidents this volume is aimed at engendering reflection and conversation Faithful Conversations includes five essays a table talk about how specific issues in the church are affected by these perspectives a select bibliography of further readings and directions on how the resource might be used **The Missional Church in Perspective (The Missional Network)** Craig Van Gelder,Dwight J Zscheile,2011-05-01 In this book two leading ministry experts place the missional church conversation in historical perspective and offer fresh insights for its further development They begin by providing a helpful review of the genesis of the missional church and offering an insightful critique of the Gospel and Our Culture Network s seminal book Missional Church which set the conversation in motion They map the diverse paths this discussion has taken over the past decade identifying four primary branches and ten sub branches of the conversation and placing over one hundred published titles and websites into this framework The authors then utilize recent developments in biblical and theological perspectives to strengthen and extend the conversation about missional theology the church s interaction with culture and cultures and church organization and leadership in relation to the formation of believers as disciples Professors students and church leaders will value this comprehensive overview of the missional movement It includes a foreword by Alan J Roxburgh *Exodus Church and Civil Society* Scott R. Paeth,2016-04-15 This book investigates the intersection of theology and social theory in the work of Jürgen Moltmann In particular it examines the way in which his concept of the Exodus Church can illuminate the importance of the idea of civil society for a Christian public theology The concept of civil society can aid in moving from the narrower category of political theology a term used frequently by Moltmann to emphasize the church s public commitment to a broader understanding of theology s public task which takes into account the plurality of ends and institutions within society The idea of the Exodus Church enables deeper understanding of Christian ethical participation within a complex modern society *The Bloomsbury Reader in Cultural Approaches to the Study of Religion* Sarah J. Bloesch,M.
