Antonio Gramsci Towards An Intellectual Biography:

Antonio Gramsci Alastair Davidson, 1977 **Antonio Gramsci** Alistair Davidson, 2016-11-28 Many large Italian cities have a main thoroughfare via Gramsci showing that the Communist leader has become part of Italy's national patrimony while internationally the interest in Gramsci's writings is second to none. As a consequence of this fame Gramsci's heritage is claimed by rival groups on the one hand by those who hope to establish his writings as sacred texts for their own policies and on the other by those who stress any differences with Lenin in order to prove Gramsci a rebel. A great merit of this biography is that it lifts the study of Gramsci away from the sterile debate about whether he was or was not a Leninist; another achievement of the author has been to integrate the circumstances of Gramsci's life: the childhood in Sardinia, the politics of the left in the 1920s, the years of exile and prison with his developing political and philosophical ideas. Antonio Gramsci Alastair Davidson, 1987 **Antonio Gramsci** Alastair Davidson, 1977 **Antonio Gramsci: towards an intellectual biography. Pref. by Norberto Bobbio**, 1977 **Antonio Gramsci** Gianni Fresu, 2022-10-31 This intellectual biography provides an organic framework for understanding Antonio Gramsci's process of intellectual development, paying close attention to the historical and intellectual contexts out of which his views emerged. The Gramsci in Notebooks cannot fully account for the young director of *L'Ordine Nuovo* or for the communist leader; Gramsci's development did not occur under conditions of intellectual inflexibility or absence of evolution. However, there is a strong thread connecting the political Gramsci with Gramsci as a cultivated man. The Sardinian intellectual's life is marked by the drama of World War I, the first mass conflict in which the great scientific discoveries of the previous decades were applied on a large scale and in which millions of peasants and workers were slaughtered. In all of his theoretical formulations, this dual relation which epitomizes the instrumental use of simpletons by ruling classes goes beyond the military context of the trenches and becomes full-fledged in the fundamental relations of modern capitalist society. In contrast with this notion of social hierarchy which is deemed natural and unchangeable, Gramsci constantly affirmed the need to overcome the historically determined rupture between intellectual and manual functions, due to which the existence of a priesthood or of a separate caste of specialists in politics and in knowledge is made necessary. It is not the specific professional activity, whether material or immaterial, that determines the essence of human nature, to Gramsci all men are philosophers. In this passage from Notebooks we find the condensed form of his idea of human emancipation, which is the historical need for an intellectual and moral reform, the subversion of traditional relations between rulers and ruled and the end of exploitation of man by man. **Antonio Gramsci** Antonio A. Santucci, 2010-04 Review This book is a brilliant and stimulating synthesis of Gramsci's life and thought. Students and scholars alike will find it extremely rewarding. Antonio A. Santucci brings to the study of Gramsci a fine historical sensitivity and a rigorous theoretical depth. Benedetto Fontana, Baruch College, author of *Hegemony and Power: On the Relation Between Gramsci and Machiavelli*. Antonio Gramsci is a giant of Marxian thought and one of the world's greatest

cultural critics Antonio A Santucci was perhaps the world's preeminent Gramsci scholar Monthly Review Press is proud to publish for the first time in English Santucci's masterful intellectual biography of the great Sardinian scholar and revolutionary Gramscian terms such as civil society and hegemony are much used in everyday political discourse Santucci warns us however that these words have been appropriated by both radicals and conservatives for contemporary and often self-serving ends that have nothing to do with Gramsci's purposes in developing them Rather what we must do and what Santucci illustrates time and again in his dissection of Gramsci's writings is absorb Gramsci's methods These can be summed up as the suspicion of grand explanatory schemes the unity of theory and practice and a focus on the details of everyday life The rigor of Santucci's examination of Gramsci's life and work matches that of the seminal thought of the master himself

BOOK JACKET The Routledge Guidebook to Gramsci's Prison Notebooks John Schwarzmantel, 2014-12-17 Gramsci's Prison Notebooks are one of the most important and original sources of modern political philosophy but the Prison Notebooks present great difficulties to the reader Not originally intended for publication their fragmentary character and their often cryptic language can mystify readers leading to misinterpretation of the text The Routledge Guidebook to Gramsci's Prison Notebooks provides readers with the historical background textual analysis and other relevant information needed for a greater understanding and appreciation of this classic text This guidebook Explains the arguments presented by Gramsci in a clear and straightforward way analysing the key concepts of the notebooks Situates Gramsci's ideas in the context of his own time and in the history of political thought demonstrating the innovation and originality of the Prison Notebooks Provides critique and analysis of Gramsci's conceptualisation of politics and history and culture in general with reference to contemporary i.e. present day examples where relevant Examines the relevance of Gramsci in the modern world and discusses why his ideas have such resonance in academic discourse Featuring historical and political examples to illustrate Gramsci's arguments along with suggestions for further reading this is an invaluable guide for anyone who wants to engage more fully with The Prison Notebooks

Encyclopedia of Contemporary Italian Culture Gino Moliterno, 2023-06-14 This rigorously compiled A-Z volume offers rich readable coverage of the diverse forms of post 1945 Italian culture With over 900 entries by international contributors this volume is genuinely interdisciplinary in character treating traditional political economic and legal concerns with a particular emphasis on neglected areas of popular culture Entries range from short definitions histories or biographies to longer overviews covering themes movements institutions and personalities from advertising to fascism and Pirelli to Zeffirelli The Encyclopedia aims to inform and inspire both teachers and students in the following fields Italian language and literature Arts Humanities and Social Sciences European Studies Media and Cultural Studies Business and Management Art and Design It is extensively cross referenced has a thematic contents list and suggestions for further reading

New Makers of Modern Culture Justin Wintle, 2016-04-22 New Makers of Modern Culture is the successor to the classic reference works Makers of Modern Culture and Makers of Nineteenth Century Culture

published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms
