Dear {{Sir/Madam}},

I have been absent from the office for the last couple of days due to sickness. I could not write an application to you for my leave.

However, I must tell you that such an act of negligence was not intentional at all. My illness took a heavy toll on my physical health due to which I remained unconscious in the hospital most of the time. With such a miserable health condition, I just forgot to write an application to you for leave due to {{my sickness}}. My family members along with me in the hospital were too worried about my health to inform you about the cause of my absence from the office. However, my health is fully recovered now.

That is why; I have resumed my official duties from today. But I regret not being able to send my leave application to you earlier; for which please accept my sincere apologies. I am optimistic that such an act of negligence on my part will not repeat in the future.

I shall be grateful to you for your kindness in this regard. Thank you so much for your valuable time and consideration.

Best Regards,
