Broken Crescent The Threat Of Militant Islamic Fundamentalism:

The Broken Crescent Fereydoun Hoveyda, 1998-06-25 Militant Islamic fundamentalists blame the ills of their societies on the West calling for the overthrow of local governments and the resumption of Jihad against the Infidels Ambassador Hoveyda explores the historical and contemporary causes of the current wave of militant Islamic fundamentalism If Western colonization and economic domination of the 19th and 20th centuries are to be blamed for the predicament of Muslim countries Hoveyda asserts that Muslims also bear a great responsibility for their situation This book shows how the triumph of fundamentalist interpretations of the Koran in the 12th century triggered the gradual decline of Islamic civilization and chronicles the history of militant Islamic movements from the Assassins of the late 11th century to the reign of Ayatollah Khomeini It shows why despite their terrorist attacks in the West fundamentalists are even more dangerous for Muslim countries that are desperately trying to catch up with the global economy to alleviate their accumulated social and economic problems Hoveyda draws upon a lifetime of experience as well as scholarship and the experiences of others to provide an important insider outsider examination of a worldwide concern **Islamic Economics and the Final Jihad** David

Fundamentalism at Home and Abroad Gerald A. Arbuckle, 2017-05-05 For most people fundamentalism in the modern world has become synonymous with a radical form of Islam but fundamentalism in many shapes and forms is also very much present in Western societies Yes fundamentalist economic political nationalistic and religious movements are aplenty in the West Using the lens of cultural anthropology Gerald A Arbuckle examines fundamentalist attitudes and movements in this book exploring why they arise and how readers can constructively respond to them

Religion and Politics John W. Storey, Glenn H. Utter, 2002-02-01 Focusing on religions such as Islam and Buddhism this volume shows how religion influences politics and vice versa Delving into such subjects as the separation of church and state in the United States the domination of the state by religion in Iran and the control of religion by the state in China this survey illuminates cultural differences This book gives a revealing look at the numerous relationships between religion and politics In the Church of England for example the 26 most senior Anglican bishops have seats in the House of Lords Religion and Politics also includes biographical sketches of thinkers and doers whose careers intersected religion and politics in significant ways from the Berrigan brothers to Osama bin Laden Also included are data and quotes a directory of politically active religious groups and a 150 page annotated bibliography

The Rise of Political Islam Muzaffer Ercan Yilmaz, 2024-07-14 The rise of political Islam in the Middle East region and elsewhere in the post Cold War era is one of the key geopolitical phenomena of our time Political Islam tends to challenge the status quo culturally socially and more important politically This important new book explores the issue deeply focusing particularly on real or perceived external threats to social identity a neglected dimension of political Islam Three cases are examined those of Turkey Egypt and Algeria where political Islam has challenged sometimes quite seriously the secular state structure Many policy implications in terms of more effectively coping with these politico religious challenges are made by the study With its focus on understanding the link between social identity and religiously driven social and political conflicts the book will be a unique and valuable resource for policy advisors and think tanks and all researchers students and scholars working on religiously driven conflicts
