Brother And I:

My Brother, The Other And I Jose Claudio Jr., **Brothers and Sinners** Rodman Philbrick, **No, My Brother, I am My Brother** Collen Plummer, 2021-06-25 My brother was almost two years older than me I was born June 56 while he was born May of 54 My uncle used to call me ME TOO because I always wanted to do everything like my brother so I ended up with the name ME TOO In junior high school and high school I started to beat him in basketball and in racing he was faster in the shorter distance and I was faster in a longer distance Then I became faster in the shortest distance that s when we formed a relay team that has about ten to twelve national records We ended up competing against each other more than our opponents and I don t know why The biggest achievement as a relay team together was Jesse Owens giving us our medals at Spectrum even though breaking that national record and breaking national record at Madison Square Garden within the same week I lost a lot of scholarships for reasons I still do not know You better have the Lord in your life because the decisions and choices you make in life you are going to need God I knew that Fortune 500 companies had tuition reimbursement so when one door closes in life another door opens in life just as long as you have the Lord with you that s the only way I can make it Thank you Jesus Then I end up developing life saving products with two patents for Johnson Johnson saving lives God is good Thank you Jesus Witnessing a black man having the life choked out of him for ten minutes by a white policeman is one of the main reasons why I wrote this book because I develop products that save lives and here goes the white man choking the life out of another black man for no reason **Brother Rook and I** Brother Rook, 2008-11 This book is one man s journey through rebirth self discovery love pain and growth It is nothing profound however it is simple poetry written mostly in verse utilizing play on words and conveying messages and lessons learned My friends that have seen bits and pieces of this book have smiled laughed and some have been moved My favorite description that I ve heard most often is cute This book is written mostly about me and subjects and people that have touched and tested me I believe I m an interesting person and that my life has been also This book has been compiled over the years and people have always requested copies of individual pieces I have been prompted by many to publish my work so I thought others may enjoy seeing my poetry through my eyes also I believe this book is insightful and that old school would describe it as deep This book will not be a best seller however it most certainly will be an enjoyable experience Please come meet Brother Rook and I and see for yourself Poetry through my Eyes I was born Edward Carl Colding to the birth parents Father Robert L Colding originally from Tampa Florida and Mother Verna Catanch Colding originally from Ahoskie North Carolina I was born and raised in the concrete jungle of West Philadelphia I was always your average young boy that was exposed to more drama than I could comprehend very similar to the fictional character Preach in the movie Cooley High I worked hard and finally freed myself of my many complexes and I developed an alter ego that I call Brother Rook In three years in and out of the classrooms of Overbrook Senior High School I moved from feeling unworthy and being a young boy to making a place for myself proving I

belong and in the process becoming an old man practically overnight I erased my square dull points by becoming a well rounded 20 year veteran of The United States Air Force I dealt with many different types of people and traveled half way around the world which sharpened my senses and gave me a passion for life Once in grade school in the auditorium I was assigned to recite the poem Trees by Joyce Kilmer Like many kids I froze even though I knew that poem like the back of my hand I ll never forget that day or that poem From that day to this I have loved to express myself in poetry and I enjoy an audience because poems are written by fools like me but only GOD can make a Tree *Brother, I'm Dying* Edwidge Danticat,2007 In a personal memoir the author describes her relationships with the two men closest to her her father and his brother Joseph a charismatic pastor with whom she lived after her parents emigrated from Haiti to the United States

Congressional Record United States.
