Brown Eyed Girl:

The Words and Music of Van Morrison Erik Hage, 2009-03-20 Van Morrison is primal but sophisticated he's accessible but inscrutable he's a complex songwriter and a raw blues shouter he's a steady influence on the musical scene but wildly unpredictable as well and it's these complex and often conflicting qualities that make him such a compelling subject for the Singer Songwriter series Journalist Erik Hage here eschews a cold empirical study of structures and influence and seeks instead more natural and intuitive means of appreciating all that is unique eclectic and surprising about Van Morrison's impressive output In addition to covering almost all of Van Morrison's musical work and offering new readings of many iconic songs Hage also provides a biographical introduction and a complete discography that can help listeners find new perspective on Morrison's body of work Even in his darkest and most naked moments in Astral Weeks for instance Van Morrison's songs can still suggest something uplifting Sometimes these two poles are present simultaneously and at other times they each find distinct expression in a different musical moment Even on his first solo album Blowin' Your Mind which contained the iconic Brown Eyed Girl Van Morrison was wrestling with something thornier and deeper as evidenced by the wrenching T B Sheets a nine minute opus about the discomfort of visiting a lover in a small room as she lies in bed wracked with Tuberculosis Those two songs at artistic odds with each other and on the same album are representative of the oppositional forces that fuel much of his work Hage here provides a guide through all the layers of emotional meaning and musical resonance present in Morrison's work

DANCING WITH THE IMAGINATION Demedrius Charles, 2009-09-22 Dancing with the Imagination is an anthology of poems written with the intention of taking the reader on an emotional journey The collection explores a world filled with endless possibilities a place where one could live out their hopes and dreams and allow an alter personality to roam without being judged The imagination has always been my comfort zone my safe haven from this harsh reality called life It has brought me to a place of serenity when everything else seemed lost It is with this I would like to take this opportunity to invite you into my world of fantasy and hope My words will take you on this journey where a simple phrase or thought will create a memorable moment and encourage you to go Dancing with the Imagination

Poems of America Henry Wadsworth Longfellow, 1882 *The Spartan Lady in Red* Steve Spencer, 2025-04-11 This is a story of a modern day Spartan Though not a biography it is biographical in the form of anecdotal tales inspired by a life well lived The life and work of Debby House Spencer positively affected folks and communities throughout Appalachia and the mid southern part of the USA Through dogged determination and her mantra of we make things happen she completed hundreds of projects by getting folks to work together Her mental and physical toughness were epic yet simple and stoic thus the Spartan analogy In her honor this book is a celebration of her life not about grieving and her death My method of dealing with her loss has been to write about Debby's anecdotal history and cherished memories from our 42 years together The anecdotes about my best friend lover wife and partner are blended with

entries from my journal posted as a blog in the year following her death As a critic and unofficial editor she helped with my earlier book writing efforts She knew that specific truth involving my storytelling was semi twisted As Mark Twain stated A writer should never let the truth stand in the way of a good tale With that said do not assume that this is a work of fiction All the tales happened There are no lies and no fabrications However my memory may be somewhat fogged with age and the numerous blows to my head through the years This book is the result of encouragement by a wide range of folks Some had also lost spouses some only desired to read my tales but many were friends who thought I had some talent Though I question the talent thing writing is how I manage the grieving process from her loss And notice the tense in the previous sentence because memories last a lifetime and grief never ends Understanding that grief will never end does not mean I spend considerable time depressed Rather it is a recognition that life goes on albeit with significant changes **23 Minutes**

Aleksandr Jarid,2022-09-26 Have you ever wondered why you make certain choices in life and not others How certain are you that the choices you make are indeed made by you and not some other force outside your conscious control What may seem like an unimportant event at a moment in your day may actually have profound consequences from there onwards which you will not understand for many years yet It took 92 years for him to find the true meaning of 23 minutes of his life that altered his world A world that involved the globe power death but ultimately 23 minutes of pure love and lemons **Plain Jane**

Barrie Levitt Knee,2015-03-13 Plain Jane is the story of a forty something wife and mother who has kept a secret from her family for almost seven years Jane has forever considered herself to be plain Her BFF Gaby is the exact opposite Following a night of countless margaritas Jane and Gaby make a secret pact because that s what friends are for Now Jane has less than a week to tell her family what she has done The secret is revealed over a four and a half hour time period while Jane is running a marathon The story is told in Jane s head Each chapter begins with a song that Jane is listening to while running The lyrics tie into the secret and many other stories that Jane tells about Gaby her family and mostly herself Keep moving Jane You can do this This is Jane s running mantra throughout the book The physical and emotional journey of running a marathon is continuously felt Jane s sixty four songs are listed at the end of the book It is a great playlist for those that run a ten minute mile like Jane **Feather in Her Cap**

Melanie Greene,2016-01-22 Everyone knows Brendan Brody but Jeannie Dunway never expects the singing star to walk into the small town restaurant where she s celebrating or for the bar owner to call him son Brendan returns to Jackrabbit Texas to stage a concert in honor of the woman who gave him his voice even though it means acknowledging the father who preferred bottles of booze to baby bottles He didn t expect their first real encounter in over a decade to be interrupted by a petite firecracker of a woman whose curves make his mouth go dry The benefit concert will be a feather in Jeannie s professional cap but only if she can successfully negotiate with the town s old guard and convince them that the rebellious teen they briefly knew really has Jackrabbit s best interests in mind And if working on the concert also happens to give her a chance to get up close and personal with Brendan that s fine with Jeannie **Lit Up Inside / Keep**

'Er Lit Van Morrison, 2025-09-09 Featuring the lyrics to over two hundred songs and with a foreword by John Cooper Clarke this is the work of a contemporary master collected for the first time in a single beautiful volume The reader will find examples of all the features of the world that Van Morrison has created through his work the back streets and mystic avenues memories of childhood wonder and of adult work the chime of church bells and the playing of the radio the generous naming of other artists and the joy of solitude love and sharp dealing consolation and grace This volume gives an overview of his sixty year career revealing why he is celebrated as one of the most innovative and enduring songwriters of our time

Poems of Places: America Henry Wadsworth Longfellow, 1879 **Brown Eyed Girl** Michael Wiley-Edgecombe', 2021-09
