Buddha Kiss Ome Peter Tasker,1996-11-01 **Buddha Kiss** Peter Tasker,1996 **Espionage & Mystery Novels** William Le Queux,2022-05-17 In Espionage he crafted narratives that blurred the lines between reality and fiction often reflecting contemporary fears and curiosities about national security and identity I wholeheartedly recommend Espionage Mystery Novels to enthusiasts of historical fiction and fans of spy literature alike Le Queux s pioneering take on espionage provides not just entertainment but also a fascinating lens through which to examine the complexities of international relations and human motives Discover the thrill of covert operations and the tension of concealed truths and engage with an author who laid foundational stones for the genre

Runoff Mark Coggins,2007 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1876 edition Excerpt life of cities is indescribably grateful What more refreshing in an age where every hour Must sweat its sixty minutes to the death The park at Knole contains a thousand acres a noble avenue of trees leads up to the ancient house The park is sweet wrote Walpole with much old beech and an immense sycamore before the great gate which makes me more in love than ever with sycamores The trees themselves have a cultivated patrician air as though their sap was of the bluest they seem never to have run wild and to have been always accustomed to the best society descendants of other ancient trees having a lineage as unbroken and exclusive as park palings can make it There is an old oak a little to the left of the path enclosed in railings that may have sheltered bold barons and knights in the days of the Plantagenets Indeed all the richly dressed cavaliers and peerless dames whose portraits line the oaken panelled galleries in yonder stately house once strutted and ambled beneath the shade of these grand old trees and talked soft nonsense and court gossip the whispered scandal or the grave state secret At the end of the long avenue known as the Duchesss Walk stands the hero beech Coleridge in his happiest vein named the birch the lady of the woods a term which well befits the delicate grace of that beautiful tree Mrs Radcliffe pursuing the same subject says I should call a beech tree and this beech above all others the hero of the forest as the oak is called the king It is not now so perfect as we remember it thirty years syne but it is yet a magnificent tree carrying its light foliage to a great height and with a majesty almost sublime

The Novel: An Alternative History Steven Moore,2013-09-17 Encyclopedic in scope and heroically audacious The Novel An Alternative History is the first attempt in over a century to tell the complete story of our most popular literary form Contrary to conventional wisdom the novel did not originate in 18th century England nor even with Don Quixote but is coeval with civilization itself After a pugnacious introduction in which Moore defends innovative demanding novelists against their conservative critics the book relaxes into a world tour of the pre modern novel beginning in ancient Egypt and ending in 16th

century China with many exotic ports of call Greek romances Roman satires medieval Sanskrit novels narrated by parrots Byzantine erotic thrillers 5000 page Arabian adventure novels Icelandic sagas delicate Persian novels in verse Japanese war stories even Mayan graphic novels Throughout Moore celebrates the innovators in fiction tracing a continuum between these pre modern experimentalists and their postmodern progeny Irreverent iconoclastic informative entertaining The Novel An Alternative History is a landmark in literary criticism that will encourage readers to rethink the novel **Catalogue of books in the lending department of the South Audley street library** London St. George, Hanover sq, publ. libr,1895
