Buchanans Wife:

Buchanan's Wife Justus Miles Forman, 1906 *Buchanan's Wife* Justus Miles Forman, 1906 **Presidential Sex** Wesley O. Hagood, 1998 With profiles on Bill Clinton Thomas Jefferson FDR JFK Lyndon Johnson and Eisenhower this book describes the impact that freewheeling sexual behavior has had upon first families election campaigns political careers and the nation itself The Films of Larry Buchanan Rob Craig, 2007-04-30 Films such as *The Naked Witch* *Zontar The Thing From Venus* and *Mars Needs Women* have gained large cult followings and movies like *A Bullet For Pretty Boy* *Free White and 21* and *Goodbye Norma Jean* became box office hits Still no other independent filmmaker of the latter 20th century may elicit such a disparity of response from general movie audiences and cult film buffs alike as the late legendary Larry Buchanan This study the first serious examination of Buchanan s body of work addresses consistent themes such as the end of suburbia the rebel outsider the oppressive establishment the curse of fame and creatures of destruction The highly political subtext found in virtually every one of the filmmaker s projects is also explored Chapters are devoted to more than 20 of Buchanan s films information on some of the unfinished unreleased and in at least one case deliberately destroyed projects is offered as well Photographs illustrating nearly all the films are included **Bosom Friends** Thomas J. Balcerski, 2019-08-02 The friendship of the bachelor politicians James Buchanan 1791 1868 of Pennsylvania and William Rufus King 1786 1853 of Alabama has excited much speculation through the years Why did neither marry Might they have been gay Or was their relationship a nineteenth century version of the modern day bromance In *Bosom Friends The Intimate World of James Buchanan and William Rufus King* Thomas J Balcerski explores the lives of these two politicians and discovers one of the most significant collaborations in American political history He traces the parallels in the men s personal and professional lives before elected office including their failed romantic courtships and the stories they told about them Unlikely companions from the start they lived together as congressional messmates in a Washington DC boardinghouse and became close confidantes Around the nation s capital the men were mocked for their effeminacy and perhaps their sexuality and they were likened to Siamese twins Over time their intimate friendship blossomed into a significant cross sectional political partnership Balcerski examines Buchanan s and King s contributions to the Jacksonian political agenda manifest destiny and the increasingly divisive debates over slavery while contesting interpretations that the men lacked political principles and deserved blame for the breakdown of the union He closely narrates each man s rise to national prominence as William Rufus King was elected vice president in 1852 and James Buchanan the nation s fifteenth president in 1856 despite the political gossip that circulated about them While exploring a same sex relationship that powerfully shaped national events in the antebellum era *Bosom Friends* demonstrates that intimate male friendships among politicians were and continue to be an important part of success in American politics Directory of Protestant Missionaries in China, Japan and Corea , 1916 **The Metropolitan Opera Stories of the Great Operas** John W. Freeman, 1984 Contains the plots of 150 of the world s most popular operas short

biographies of the 72 composers represented plus background material pertinent to each work **James Buchanan** Jean H. Baker, 2004 1 Buchanan James 1791 1868 2 Presidents United States Biography 3 United States Politics and Government 1857 1861 *James K. Polk* John Seigenthaler, 2014-03-11 The story of a pivotal president who watched over our westward expansion and solidified the dream of Jacksonian democracy James K Polk was a shrewd and decisive commander in chief the youngest president elected to guide the still young nation who served as Speaker of the House and governor of Tennessee before taking office in 1845 Considered a natural successor to Andrew Jackson Young Hickory miraculously revived his floundering political career by riding a wave of public sentiment in favor of annexing the Republic of Texas to the Union Shortly after his inauguration he settled the disputed Oregon boundary and by 1846 had declared war on Mexico in hopes of annexing California The considerably smaller American army never lost a battle At home however Polk suffered a political firestorm of antiwar attacks from many fronts Despite his tremendous accomplishments he left office an extremely unpopular man on whom stress had taken such a physical toll that he died within three months of departing Washington Fellow Tennessean John Seigenthaler traces the life of this president who as Truman noted said what he intended to do and did it
