Breaking Down Humptys Wall:

Naked in Church John Wingspread Howell, 2003-01-27 John Howell's first novel *The Goddess Patrol* earned raves such as Howell must have had a riot writing this. The writing is imaginative and funny. The plot alone will keep you going. But the real meat of the book is in the sensitive psychological processes by which several characters who have been ground lean by hardships fight to burst out into the light. *Thousand Islands Sun Naked* brings more characters fighting to the light. A Cuban doctor, his daughter back home on a mission, a banker with a secret, a psychologist with a secret, adolescent bullies and victim, a surly police chief and a church full of fundamentalists praying for the Second Coming but wanting to recant when Jesus arrives with an AK 47. Little Pond NY resembles Howell's hometown where he writes. One scandal could change the pecking order overnight. Guppies could appear as barracudas simply by swimming fast. **7 Steps Out of the Humpty Dumps**

Humpty Dumpty Back on the Wall Ralph Eugene Tucker,2012-02 Life does not prepare you for losing your mind and there is no guarantee of finding it once you have lost it The search for my mind and an understanding of why my life had taken such a drastic turn led me on an investigative journey through my past Plagued by thoughts of never being whole again I felt like Humpty Dumpty who fell off the wall Although I did not have access to the king s horses and the king s men somehow I was put back together again Perhaps even more than medicine and therapy love caring forgiveness and nonjudgmental encouragement have been great healers and motivators in my life This love has also enabled me to love care forgive and encourage others When I was in a place that I and others thought to be a place of no return I found healing from these unlikely healers Having been blessed to return from that place I discovered that sometimes tragedy is a precursor to triumph and brokenness a prerequisite for wholeness In my darkest hour the love and support that I received helped me to find my way One day while seriously contemplating suicide sitting with my head in my hands crying I was startled by a tap on my shoulder from my three year old son He patted my shoulder and said It s going to be alright daddy it s going to be alright Even now the thought of those words give me a chill just thinking of how the words of a three year old could affect the course of my life In that moment a door opened in my mind that allowed me to begin the process of regaining control over my mind and my life I knew that I did not want to leave him here without a father Learning English with Chris the Grasshopper
