*Nanking 1937* Robert Sabella, Feifei Li, David Liu, 2015-06-03 In recent years the international community has begun to scrutinize and in many cases condemn the atrocities that took place at Nanking in late 1937 This is all part of a larger worldwide movement in which both nations and multinational groups are attempting to reach closure regarding past atrocities and inhumanities As represented by the contributors to this book these activities have an importance reaching far beyond aggressors or victims beyond admission or vindication but rather are a search for the common causes of all human atrocities and for solutions that would set humanity on a path toward a more peaceful and harmonious international community

**China's Great Proletarian Cultural Revolution** Woei Lien Chong, 2002 Treating China's Cultural Revolution as much more than a political event this innovative volume explores its ideological dimensions The contributors focus especially on the CR's discourse of heroism and messianism and its demonization of the enemy as reflected in political practice official literature and propaganda art arguing that these characteristics can be traced back to hitherto neglected undercurrents of Chinese tradition Moreover while most studies of the Cultural Revolution are content to point to the discredited cult of heroism and messianism this book also explores the alternative discourses that have flourished to fill the resulting vacuum The contributors analyze the intense intellectual and artistic ferment in post Mao China that embody resistance to CR ideology as well as the urgent quest for authentic individuality new forms of social cohesion and historical truth Contributions by Anne Marie Brady Woei Lien Chong Lowell Dittmer Monika Gaenssbauer Nick Knight Stefan R

**Memory and the Jesus Tradition** Alan Kirk, 2018-02-22 Alan Kirk argues that memory theory in its social cultural and cognitive dimensions is able to provide a comprehensive account of the origins and history of the Jesus tradition one capable of displacing the moribund form critical model He shows that memory research gives new leverage on a range of classic problems in gospels historical Jesus and Christian origins scholarship This volume brings together 12 essays published between 2001 and 2016 newly revised for this edition and organized under the

rubrics of Memory and the Formation of the Jesus Tradition Memory and Manuscript Memory and Historical Jesus Research and Memory in 2nd Century Gospel Writing The introductory essay written for this volume argues that the old form critical model in marginalizing memory abandoned the one factor actually capable of accounting for the origins of the gospel tradition its manifestation in oral and written media and its historical trajectory **Memory, Tradition, And Text** Alan K. Kirk, Tom Thatcher, 2005 Social and cultural memory theory examines the ways communities and individuals reconstruct and commemorate their pasts in light of shared experiences and current social realities Drawing on the methods of this emerging field this volume both introduces memory theory to biblical scholars and restores the category memory to a preeminent position in research on Christian origins In the process the volume challenges current approaches to research problems in Christian origins such as the history of the Gospel traditions the birth of early Christian literature ritual and ethics and the historical Jesus The essays taken in aggregate outline a comprehensive research agenda for examining the beginnings of Christianity and its literature and also propose a fundamentally revised model for the phenomenology of early Christian oral tradition assess the impact of memory theory upon historical Jesus research establish connections between memory dynamics and the appearance of written Gospels and assess the relationship of early Christian commemorative activities with the cultural memory of ancient Judaism Contributors include April D DeConick Arthur J Dewey Philip F Esler Holly Hearon Richard Horsley Georgia Masters Keightley Werner Kelber Alan Kirk Barry Schwartz Tom Thatcher and Antoinette Clark Wire Paperback edition is available from the Society of Biblical Literature [www.sbl-site.org](http://www.sbl-site.org)
