and honky tonks and the opening of Evans Hall the town's first legitimate theater. By 1883 far-sighted civic leaders had completed the Fort Worth Opera House and by 1886 the city had joined the touring circuit of Galveston showman Henry Greenwall. Under Greenwall's aegis many of the era's leading players appeared in the city including Edwin Booth and Sarah Bernhardt. The Texas Spring Palace exhibitions of 1889 and 1890 brought national acclaim and did much to alter perceptions of the community as a frontier cow town. In the twentieth century vaudeville's popularity led to construction of two Majestic theaters just six years apart in 1905 and 1911. Participating in the establishment of the Fort Worth Little Theater following World War I was a still unknown Texas writer Katherine Anne Porter. During the 1930s the city was once again catapulted to national prominence when New York producer Billy Rose created Broadway style revues for Casa Mañana and the city's contribution to the Texas Centennial celebration. Establishment of the Fort Worth Opera Casa Mañana Musicals and the Fort Worth Community Theater following World War II set the stage for what had become by the end of the twentieth century a vibrant community of permanent companies including Jubilee Theater, Hip Pocket Theatre, Stage West and Circle Theatre. The twentieth century ended dramatically with completion of the Nancy Lee and Perry R. Bass performance Hall.

Music in German Immigrant Theater John Koegel, 2009. A history the first ever of the abundant traditions of German American musical theater in New York and a treasure trove of songs and information. Nineteenth century New York was after Berlin and Vienna the third largest German populated city in the world. German language musical plays and light operas held an important niche in the lives of German immigrants and their families. John Koegel's Music in German Immigrant Theater New York City 1840-1940 tells for the first time the engrossing story of these theater works and the many musical numbers from them that became popular as separate songs. Koegel documents performances in German of plays by Shakespeare and Goethe and operas by Offenbach, Verdi and Johann Strauss. And he draws long needed attention to German American musical comedies written beginning in the 1890s by ethnic parodist Adolf Philipp. As their titles suggest *Der Corner Grocer* aus der Avenue A and *Der Pawnbroker* von der Eastside these musicals related directly to the daily experiences of the immigrant population. Music in German Immigrant Theater is enriched by copious photographs, sheet music, title pages and musical examples as well as numerous sets of song lyrics, some uproarious, others touching, in German and in English translation. The accompanying CD includes recordings of many of the songs discussed in the book. John Koegel is Professor of Musicology at California State University Fullerton. WINNER 2009 ForeWord Reviews Book of the Year Award, music category. This book is also included in the AAUP's 2010 University Press Books Selected for Public and Secondary School Libraries along with a number of other URP books by experiences of the immigrant population.
