American Political History Essays On The State Of The Discipline

R. Rudy Higgins-Evenson

American Political History Essays On The State Of The Discipline:

American Political History Michael Les Benedict, 1997 In 1995 more than 100 historians gathered at the University of Notre Dame for a conference convened to honour the American historian Vincent P De Santis This collection of essays from the conference aims to describe and define the state of political history at the end of the 20th century **Discipline and History** James Farr, Raymond Seidelman, 1993 Historical panorama of views about the state of political science as a discipline

The Price of Progress R. Rudy Higgins-Evenson, 2003-05-01 Between the Civil War and the Great Depression twin revolutions swept through American business and government In business large corporations came to dominate entire sectors and markets In government new services and agencies especially at the city and state levels sprang up to ameliorate a broad spectrum of social problems In *The Price of Progress* R Rudy Higgins Evenson offers a fresh analysis of the relationship between those two revolutions Using previously unexploited data from the annual reports of state treasurers and comptrollers he provides a detailed empirical assessment of the goods and services provided to citizens as well as the resources extracted from them by state governments during the Gilded Age and Progressive Era Focusing on New York Massachusetts California and Kansas but including data on 13 other states his comparative study suggests that the corporate state originated in tax policies designed to finance new and innovative government services Business and government grew together in a surprising and complex fashion In the late nineteenth century services such as mental health care for the needy and free elementary education for all children created new strains on the states old property tax systems In order to pay for newly constructed state asylums and schools states experimented for the first time with corporate taxation as a source of revenue linking state revenues to the profitability of industries such as railroads and utilities To control their tax bills big businesses intensified lobbying efforts in state legislatures captured important positions in state tax bureaus and sponsored a variety of government efficiency reform organizations The unintended result of corporate taxation imposed to allow states to fulfill their responsibilities to their citizens was the creation of increasingly intimate ties between politicians bureaucrats corporate leaders and progressive citizens By the 1920s a variety of corporate states had proliferated across the nation each shaped by a particular mix of taxation and public services each offering a case study in how the business of America as President Calvin Coolidge put it became business *Nursing History Review, Volume 12, 2004* Patricia D'Antonio, RN, PhD, FAAN, 2003-10-31 Nursing History Review an annual peer reviewed publication of the American Association for the History of Nursing is a showcase for the most significant current research on nursing history Regular sections include scholarly articles over a dozen book reviews of the best publications on nursing and health care history that have appeared in the past year and a section abstracting new doctoral dissertations on nursing history Historians researchers and individuals fascinated with the rich field of nursing will find this an important resource Highlights from Volume 12 Nursing in Nationalist China John Watt Coronary Care Nursing Circa 1960s Arlene Keeling A Memorial to Barbara Bates 1928 2002 Regulation of African

American Midwifery Zeina Omisola Jones

The Democratic Experiment Meg Jacobs, William J. Novak, Julian E.

Zelizer, 2009-01-10 In a series of fascinating essays that explore topics in American politics from the nation's founding to the present day *The Democratic Experiment* opens up exciting new avenues for historical research while offering bold claims about the tensions that have animated American public life. Revealing the fierce struggles that have taken place over the role of the federal government and the character of representative democracy, the authors trace the contested and dynamic evolution of the national polity. The contributors, who represent the leading new voices in the revitalized field of American political history, offer original interpretations of the nation's political past by blending methodological insights from the new institutionalism in the social sciences and studies of political culture. They tackle topics as wide ranging as the role of personal character of political elites in the Early Republic to the importance of courts in building a modern regulatory state to the centrality of local political institutions in the late twentieth century. Placing these essays side by side encourages the asking of new questions about the forces that have shaped American politics over time. An unparalleled example of the new political history in action, this book will be vastly influential in the field. In addition to the editors, the contributors are Brian Balogh, Sven Beckert, Rebecca Edwards, Joanne B. Freeman, Richard R. John, Ira Katznelson, James T. Kloppenberg, Matthew D. Lassiter, Thomas J. Sugrue, Michael Vorenberg, and Michael Willrich.

The American Way Carville Earle, 2003-02-04 The geography of contemporary U.S. political economy, the relocation of firms toward the sunbelt and abroad, the decline of manufacturing in the rust belt, and the rise of footloose producer services. NAFTA-inspired trade flows has roots that run deep into our past. This innovative history by one of our most distinguished historical geographers traces their growth back to the seventeenth-century origins of liberalism, republicanism, and the regular financial crises by then endemic in capitalist societies. The problem the English and then the Americans faced was overcoming these crises while avoiding the political extremes of royal absolutism and later of socialism, communism, and fascism. The English way alternated between the doctrinaire ideologies and geographies of republicanism and liberalism. In 1776, by mixing elements of both, Americans created entirely new ideological alloys. Henceforth, policy regimes alternated between Democrats and Republicans and their distinctive fusions of liberal and republican ideology. Democrats combined publicanism's tenets of equality, diversified and volatile regions, and consumer revolution with liberalism's tenets of free trade, geographical consolidation, and dispersion. New Deal liberalism, Republicans mixed liberalism's biases toward elites, regional specialization, and stability, and producer revolution with republicanism's tilt toward nationalism, expansionism, and demographic concentration. Reagan's America muddied liberal and republican ideologies and geographies in ways that tempered their extremes. Americans would add one more twist. Thrice upon the birth of the first, second, and third republics, they enlarged the geographical jurisdictions of the federal government, extended the domains of U.S. power, and redefined the nature of the state. Carville Earle defines these enlargements as the distributive and partisan sectional state of the 1790s, the regulatory and redistributive national state of

the 1880s and the neoliberal transnational state of the 1980s In tandem with the American dynamic of crisis and recovery the author argues that these three states have fashioned a dynamic and dialectical series of geographies that as tools of ideology have done much more to ensure the growth and viability of the U S economy polity and society Henry Watterson and the New South Daniel Margolies,2006-11-24 Henry Watterson editor of the Louisville Courier Journal during the tumultuous decades between the Civil War and World War I was one of the most influential and widely read journalists in American history At the height of his fame in the early twentieth century Watterson was so well known that his name and image were used to sell cigars and whiskey A major player in American politics for more than fifty years Watterson personally knew nearly every president from Andrew Jackson to Woodrow Wilson Though he always refused to run the renowned editor was frequently touted as a candidate for the U S Senate the Kentucky governor s office and even the White House Shortly after his arrival in Louisville in 1868 Watterson merged competing interests and formed the Courier Journal quickly establishing it as the paper of record in Kentucky a central promoter of economic development in the New South and a prominent voice on the national political stage An avowed Democrat in an era when newspapers were openly aligned with political parties Watterson adopted a defiant independence within the Democratic Party and challenged the Democrats consensus opinions as much as he reinforced them In the first new study of Watterson s historical significance in more than fifty years Daniel S Margolies traces the development of Watterson s political and economic positions and his transformation from a strident Confederate newspaper editor into an admirer of Lincoln a powerful voice of sectional reconciliation and the nation s premier advocate of free trade Henry Watterson and the New South provides the first study of Watterson s unique attempt to guide regional and national discussions of foreign affairs Margolies details Watterson s quest to solve the sovereignty problems of the 1870s and to quell the economic and social upheavals of the 1890s through an expansive empire of free trade Watterson s political and editorial contemporaries variously advocated free silverism protectionism and isolationism but he rejected their narrow focus and maintained that the best way to improve the South s fortunes was to expand its economic activities to a truly global scale Watterson s New Departure in foreign affairs was an often contradictory program of decentralized home rule and overseas imperialism but he remained steadfast in his vision of a prosperous and independent South within an American economic empire of unfettered free trade Watterson thus helped to bring about the eventual bipartisan embrace of globalization that came to define America s relationship with the rest of the world in the twentieth century Margolies groundbreaking analysis shows how Watterson s authoritative command of the nation s most divisive issues his rhetorical zeal and his willingness to stand against the tide of conventional wisdom made him a national icon *Germans and African Americans* Larry A. Greene,Anke Ortlepp,2010-12-07 Germans and African Americans unlike other works on African Americans in Europe examines the relationship between African Americans and one country Germany in great depth Germans and African Americans encountered one another within the context of their national identities and group

experiences In the nineteenth century German immigrants to America and to such communities as Charleston and Cincinnati interacted within the boundaries of their old world experiences and ideas and within surrounding regional notions of a nation fracturing over slavery In the post Civil War era in America through the Weimar era Germany became a place to which African American entertainers travelers and intellectuals such as W E B Du Bois could go to escape American racism and find new opportunities With the rise of the Third Reich Germany became the personification of racism and African Americans in the 1930s and 1940s could use Hitler s evil example to goad America about its own racist practices Postwar West Germany regained the image as a land more tolerant to African American soldiers than America African Americans were important to Cold War discourse especially in the internal ideological struggle between Communist East Germany and democratic West Germany Unlike many other countries in Europe Germany has played a variety of different and conflicting roles in the African American narrative and relationship with Europe It is this diversity of roles that adds to the complexity of African American and German interactions and mutual perceptions over time

The Irish in the South, 1815-1877 David T. Gleeson, 2002-11-25

The only comprehensive study of Irish immigrants in the nineteenth century South this book makes a valuable contribution to the story of the Irish in America and to our understanding of southern culture The Irish who migrated to the Old South struggled to make a new home in a land where they were viewed as foreigners and were set apart by language high rates of illiteracy and their own self identification as temporary exiles from famine and British misrule They countered this isolation by creating vibrant tightly knit ethnic communities in the cities and towns across the South where they found work usually menial jobs Finding strength in their communities Irish immigrants developed the confidence to raise their voices in the public arena forcing native southerners to recognize and accept them first politically then socially The Irish integrated into southern society without abandoning their ethnic identity They displayed their loyalty by fighting for the Confederacy during the Civil War and in particular by opposing the Radical Reconstruction that followed By 1877 they were a unique part of the Solid South Unlike the Irish in other parts of the United States the Irish in the South had to fit into a regional culture as well as American culture in general By following their attempts to become southerners we learn much about the unique experience of ethnicity in the American South

Black Rights in the Reconstruction Era Vanessa Holloway, 2018-06-20

Most observers and historians rarely acknowledge the history of civil rights predating the twentieth century The book Black Rights in the Reconstruction Era pays significant scholarly attention to the intellectual ferment legal and political of the nineteenth century by tracing the history of black Americans civil rights to the postbellum era By revisiting its faulty foundational history this book lends itself to show that after emancipation national and local struggles for racial equality had led to the encoding of racism in the political order in the American South and the proliferation of racism as an American institution Vanessa Holloway draws upon a host of historical legal and philosophical studies as well as legislative histories to construct a coherent theory of the law s relevance to the era questioning how the nexus of race and

politics should be interpreted during Reconstruction Anchored in the Reconstruction Amendments Supreme Court decisions and landmark statutes of the 1860s and 1870s the Black Codes the Freedmen s Bureau the Civil Rights Act of 1866 the Reconstruction Acts the Enforcement Acts and the Civil Rights Act of 1875 Black Rights in the Reconstruction Era offers a new perspective on the political history of law between the years 1865 and 1877 It is predominant in the ongoing debates on social justice and racial inequality

American Political History Essays On The State Of The Discipline Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading American Political History Essays On The State Of The Discipline free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading American Political History Essays On The State Of The Discipline free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type.

By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading American Political History Essays On The State Of The Discipline free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading American Political History Essays On The State Of The Discipline. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading American Political History Essays On The State Of The Discipline any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About American Political History Essays On The State Of The Discipline Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. American Political History Essays On The State Of The Discipline is one of the best book in our library for free trial. We provide copy of American Political History Essays On The State Of The Discipline in digital format, so the resources that you find are reliable. There are also many Ebooks of related with American Political History Essays On The State Of The Discipline. Where to download American Political History Essays On The State Of The Discipline online for free? Are you looking for American Political History Essays On The State Of The Discipline PDF? This is definitely going to save you time and cash in something you should think about.
