American Women Their Lives In Their Words:

Photo-Essays about Asian American Women in Life Magazine 1936 to 1965 Karen L. Ching Carter, 2021-10-12 The editors of Life Magazine a mass produced picture magazine composed picture narratives that entertained informed and influenced mid twentieth century American society Photo Essays about Asian American Women in Life Magazine 1936 to 1965 Hidden Narratives and Breaking Stereotypes is a rhetorical analysis of how Life Magazine s photo essays represented and shaped white American middle class attitudes toward Asian American women In the time period studied 1936 to 1965 most white Americans were exposed to Asian woman primarily through film or in illustrated drawings Hollywood in particular created caricatures depicting Asian women as evil dragon ladies or sex slaves both of which implied prostitution which affected their legal and social standing in early and mid twentieth century America The book illustrates the ways in which the Life editors utilized the photo essay as a narrative art form to counter stereotypical and racist Hollywood depictions of Asian women as prostitutes and to envision them as part of the American middle class thereby promoting a sense of national identity that included Asians as Americans This book will be of interest to scholars in the fields of women s studies cultural studies visual culture Asian American studies and history *10 American History Plays for the Classroom*

Sarah J. Glasscock, 1995 Contains scripts for ten plays on different aspects of American history plus follow up teaching activities **Spanish American Women's Use of the Word** Stacey Schlau, 2022-10-18 Women s participation both formal and informal in the creation of what we now call Spanish America is reflected in its literary legacy Stacey Schlau examines what women from a wide spectrum of classes and races have to say about the societies in which they lived and their place in them Schlau has written the first book to study a historical selection of Spanish American women s writings with an emphasis on social and political themes Through their words she offers an alternative vision of the development of narrative genres critical fictional and testimonial from colonial times to the present The authors considered here represent the chronological yet nonlinear development of women s narrative They include Teresa Romero Zapata accused before the Inquisition of being a false visionary In s Su rez nun and writer of spiritual autobiography Gertrudis G mez de Avellaneda author of an indigenist historical romance Magda Portal whose biography of Flora Trist n furthered her own political agenda Dora Alonso who wrote revolutionary children s books Domitila Barrios de Chungara political leader and organizer Elvira Orph e whose novel unpacks the psychology of the torturer and several others who address social and political struggles that continue to the present day Although the writers treated here may seem to have little in common all sought to maneuver through institutions and systems and insert themselves into public life by using the written word often through the appropriation and modification of mainstream genres In examining how these authors stretched the boundaries of genre to create a multiplicity of hybrid forms Schlau reveals points of convergence in the narrative tradition of challenging established political and social structures Outlining the shape of this literary tradition she introduces us to a host of neglected voices as well as examining

better known ones who demonstrate that for women simply writing can be a political act *Encyclopedia of American Women and Religion* June Melby Benowitz, 2017-08-18 This two volume set examines women's contributions to religious and moral development in America covering individual women their faith related organizations and women's roles and experiences in the broader social and cultural contexts of their times This second edition of *Encyclopedia of American Women and Religion* provides updated and expanded information from historians and other scholars of religion covering new issues in religion to better describe and document women's roles within religious groups For instance the term evangelical feminism is one newly defined aspect of women's involvement in religious activism Changes are constantly occurring within the many religious faiths and denominations in America particularly as women strive to gain positions within religious hierarchies that previously were exclusive to men and rise within their denominations to become theologians church leaders and bishops The entries examine the roles that American women have played in mainstream religious denominations small religious sects and non traditional practices such as witchcraft as well as in groups that question religious beliefs including agnostics and atheists A section containing primary documents gives readers a firsthand look at matters of concern to religious women and their organizations Many of these documents are the writings of women who merit entries within the encyclopedia Readers will gain an awareness of women's contributions to religious culture in America from the colonial era to the present day and better understand the many challenges that women have faced to achieve success in their religion related endeavors

Voices From Iran Mahnaz Kousha, 2002-11-01 Mahnaz Kousha interviewed fifteen Iranian women in Tehran who originally came from cities and towns throughout Iran The youngest was 38 the eldest in her 50s Extensive excerpts from their dialogues form the heart of this remarkable book With admirable candor the women explore their relationships with their mothers fathers husbands and children They reflect upon the institutions of courtship and marriage and address issues of childcare housework and women's employment They talk openly about their concerns ambitions and frustrations Finally they discuss everyday personal problems and the solutions they devise to cope with such difficulties Offset by telling commentary these conversations offer significant firsthand insights into the life experiences of the modern Iranian woman and her brave search for identity Because it covers previously uncharted ground this volume fills a sizable gap in the study of gender and family relationships in Iran Abundant footnotes on similar studies in the United States and other countries not only add sociological richness but also make the book relevant beyond Iran and the Middle East

Conversions and Visions in the Writings of African-American Women Kimberly Rae Connor, 1994 The subsequent achievement of selfhood is then based on the interplay of individual and community identities Connor suggests that the distinctiveness of African American women's experiences and writings can transcend their immediate communities and be brought to bear on women's experiences in general making their individual stories more accessible and meaningful to the whole of humankind *Woman of Color, Daughter of Privilege* Kent Anderson Leslie, 1995 The life of Amanda America

Dickson daughter of a slave mother and white landowner father is a story of defiance of the boundaries of race in the antebellum South that examines interlocking issues of race class and gender UP

Word-Filled Women's Ministry Gloria Furman, Kathleen Nielson, 2015-07-15 The Bible is clear that women as well as men are created in God's image and intended to serve him with their lives But what does this look like for women in the church Helping church leaders think through what a Bible centered women's ministry looks like this collection of essays by respected Bible teachers and authors such as Gloria Furman Nancy Guthrie and Susan Hunt addresses a variety of topics relevant to women Whether exploring the importance of intergenerational relationships the Bible's teaching on sexuality or women's roles in the church and the home this book of wise teaching and practical instruction will become a must have resource for anyone interested in bolstering the health and vitality of Christian women in the context of the local church

Daily Life of Women in Postwar America Nancy Hendricks, 2021-02-15 From Beatniks to Sputnik and from Princess Grace to Peyton Place this book illuminates the female half of the US population as they entered a brave new world that revolutionized women's lives After World War II the United States was the strongest most powerful nation in the world Life was safe and secure but many women were unhappy with their lives What was going on behind the closed doors of America's picture perfect houses This volume includes chapters on the domestic economic intellectual material political recreational and religious lives of the average American woman after World War II Chapters examine topics such as the entertainment industry's evolving concept of womanhood Supreme Court decisions the shifting idea of women and careers advertising rural urban and suburban life issues women of color faced and child rearing and other domestic responsibilities A timeline of important events and glossary help to round out the text along with further readings and a bibliography to point readers to additional resources for their research Ideal for students in high school and college this volume provides an important look at the revolutionary transformation of women's lives in the decades following World War II

With Pen and Voice Shirley Wilson Logan, 1995 Despite societal constraints that would seem insurmountable 19th century African American women spoke out on topics such as universal suffrage mob violence and social and education reform This anthology introduces the rhetoric of seven extraordinary women and in addition provides historical background and biographical data for each Annotation copyright by Book News Inc Portland OR
