A Blessed Event:

A Blessed Event Jean Reynolds Page, 2007-12-18 How much is too much to ask of friendship How long will the bonds of family endure when confronted with swift unexpected change These are the intimate questions Jean Reynolds Page poses in *A Blessed Event* her assured and powerful literary debut Joanne Timbro and Darla Stevens have grown up in a small Texas town their childhood homes separated only by adjoining back yards Although the families inside these houses have little in common the two girls find in each other a rare friendship that will take them into their adult lives a friendship that makes them stronger together than either could be alone Then as young women Darla and Jo enter into an agreement that will startle everyone who cares for them After years of watching Darla's heartbreaking failure to have a baby with her husband Cal Joanne agrees to give birth to the child that Darla cannot have on her own But in the early morning hours of a warm July morning everything changes Joanne then four months pregnant is driving a car that veers off the road near the home that Darla shares with Cal In the days and months that follow Darla must face for the first time in her memory the possibility of life without Jo As Darla tries to uncover the secrets that brought her friend out onto the highway in those dark morning hours she discovers that she must also fight to keep the baby that was intended to be her child With the child's fate hanging in the balance Darla searches for clues to Jo's strange behavior leading up to the crash In the process she discovers truths that hide in her own life in her marriage in her closest friendships and in a past that has suddenly reemerged full of unfolding secrets Tender and heartbreaking hopeful and honest *A Blessed Event* brings life's everyday experiences into bright focus contrasting beautifully the pain of suffering with the sublime joys of surviving and truly living

A Blessed Event [knit and Crochet], 1981 *THE RANCHER'S BLESSED EVENT* Stella Bagwell, 2011-07-15 twins on the doorstep WITH BABY ON THE WAY The very sight of Cooper Dunn still made Emily's pulse race but the last thing she wanted was to let him back into her life or her heart What Emily needed was a man who would stay a man who would love her more than the next rodeo a man who'd love the baby she was carrying Cooper made no promises he'd help get the family ranch in working order and then he'd move on But spending time with Emily awoke long buried feelings and made him yearn for a family And then the baby came STELLA Bagwell The next generation of Murdocks continues the adventure of love **A Blessed Event** J.
