The Biblical Case for Equality Arden Thiessen, 2002 Discovering Biblical Equality Ronald W. Pierce, Rebecca Merrill Groothuis, Gordon D. Fee, 2005-07-25 Ronald W Pierce and Rebecca Merrill Groothuis general editors with the aid of Gordon D Fee contributing editor assemble a distinguished array of twenty six evangelical scholars firmly committed to the authority of Scripture who offer a fresh positive up to date defense of biblical equality **Good News for Women** Rebecca Groothuis, 1996-12-01 Most evangelical discussion of the gender issue has been spent in feverish debate over the exegetical intricacies of the traditional prooftexts writes Rebecca Merrill Groothuis And though faithful exegesis is certainly crucial a myopic fixation on a handful of controversial biblical texts will not ultimately resolve the gender debate In *Good News for Women* Groothuis looks at the Big Picture the overall outline of biblical teaching on relationships between men and women This provides the foundation for examining the passages specifically relating to gender issues Written with the razor sharp insight that prompted critical acclaim for Groothuis first book *Good News for Women* shows that the broad sweep of biblical thought aligns more readily with gender equality than gender hierarchy traditionalist prooftexts do not present an open and shut case in favor of universal male authority the traditionalist agenda on gender issues is neither helpful nor healthy for Christian women today Is Women's Equality a Biblical Ideal? Mimi Haddad, Sean Callaghan, 2021-03-10 Should women be allowed to lead in the church and the home What does the Bible mean when it calls Eve helper How do cultural beliefs devalue women How can we foster women s equality in other cultures These are just some of the questions answered in *Is Women s Equality a Biblical Ideal* This five part lecture series explores the biblical historical and social precedent for women s shared leadership in the church the home and the world Topics include Old and New Testament evidence of women s leadership women s leadership in church history understanding power dynamics and working cross culturally Originally developed for NGOs humanitarian organizations and Christian leaders to effectively promote the full gifting vocation and authority of women throughout the world this lecture series and companion workbook make a wonderful resource for both personal and group study A Biblical Study Guide for Equal Pulpits Young Lee Hertig, 2022-03-24 The transformation of patriarchal church culture begins with gender equality in the pulpit For too long the Christian pulpit has been monopolized by men This pattern is especially pronounced in evangelical Asian American and Latinx congregations where women s voices are marginalized and male dominance is reinforced in the church as well as the family The consequences are enormous oRobbing the church of the fullness of the gospel oSilencing the voices of women preachers oMasculinizing Christianity oLosing younger generations of women leaders oModeling structural power inequality oIncreasing violence against women Making academic hermeneutical work accessible for the pulpit *A Biblical Study Guide for an Equal Pulpit* reappropriates a gendered approach to biblical texts Among the perspectives investigated Kay Higuera Smith s *Two Mothers Two Promises* takes a perspective shifting look at Sarah and Hagar Eunny P Lee s *Valorous and Wise Women Who Build Up the House of*

God depicts Ruth and the woman of Proverbs 31 as builders of the household and Sophia Magallanes Tsang's *Listening for Your Voice Let Me Hear It The Prophetic Feminine Voice in Songs 8* interprets the Song of Songs as a prophetic female voice

Holding Up Half the Sky Graham Joseph Hill, 2020-04-30 Women have played significant roles in ministry and leadership throughout the history of the church and the pages of the Bible Today women make up more than half the church and do much of the mission ministry and discipleship in the life of the church But women have often been held back from ministry roles Graham Joseph Hill outlines the biblical vision for women in ministry and leadership He offers a biblical and passionate call for women to be released to teach to lead to preach to serve to pastor and to minister in every area of the church The Bible paints a radical vision of women empowered and emboldened for full ministry participation in Christ's church The biblical vision for women and for their role as teachers witnesses disciplers and leaders transforms not only personal lives but also the church and the world This book offers a biblical case for women teaching and leading in the church Hill then explores practical ways that we can empower and release more female leaders in the church and ways that we can amplify the voices and honor the gifts of women in the way Jesus intended Together women and men can revitalize the church and renew the world

Equal Katia Adams, 2019-09-01 In *Equal Church* and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men With sensitivity to both sides of the argument Adams draws on the wisdom of Scripture theology and the Holy Spirit Blending them with her own personal experiences she asserts that both women and men are equally called to serve and lead in the church and in the world and that by restricting the roles of women we are missing God's design for the church and for the gospel's impact on the earth
