Lincoln A Life *Lincoln Tells a Joke* Kathleen Krull, Paul Brewer, 2010-04-01 Poor Abraham Lincoln His life was hardly fun at all A country torn in two by war citizens who didn't like him as president a homely appearance what could there possibly be to laugh about And yet he did laugh Lincoln wasn't just one of our greatest presidents He was a comic storyteller and a person who could lighten a grim situation with a clever quip This unusual biography of Lincoln highlights his life and presidency focusing on what made his sense of humor so distinctive and so necessary to surviving his tough life and times

Lincoln's Sense of Humor Richard Carwardine, 2017-10-23 Abraham Lincoln was the first president consistently to make storytelling and laughter tools of office This book shows how his uses of humor evolved to fit changing personal

circumstances and explores its versatility range of expressions and multiple sources **"Lincoln's Humor" and Other Essays** Benjamin P. Thomas, 2024-04-22 This volume gathers the best previously unpublished and uncollected writings on Abraham Lincoln and Lincoln scholarship by one of his great biographers Benjamin P Thomas A skilled historian and a masterful storyteller himself Thomas was widely regarded as the greatest Lincoln historian of his generation With these essays he combines historical depth with narrative grace in delineating Lincoln's qualities as a humorist lawyer and politician From colorful tall tales to clever barbs aimed at political opponents Lincoln clothed a shrewd wit in a homespun backwoods vernacular He used humor to defuse tension illuminate a point put others at ease and sometimes for sheer fun From an early reliance on broad humor and ridicule in speeches and on the stump Lincoln's style shifted in 1854 to a more serious vein in which humor came primarily to elucidate an argument If I did not laugh occasionally I should die he is said to have told his cabinet and you need this medicine as much as I do Thomas brings his deep knowledge of Lincoln to essays on the great man's tumultuous career in Congress his work as a lawyer his experiences in the Courts and his opinions of the South A gracious survey of Lincoln's early biographers particularly Ida Tarbell stands alongside an appreciation of Harry Edward Pratt a key figure in the early days of the Abraham Lincoln Association Thomas also assesses Lincoln's use of language and the ongoing significance of the Gettysburg Address This diverse collection is enhanced by an introduction by Michael Burlingame himself a leading biographer of Lincoln Burlingame provides a balanced portrait of Thomas and his circuitous path toward writing history Lincoln Legends Edward Steers, 2007-10-12 Succinctly and eloquently debunks 14 popular myths about the Great Emancipator's life and death with solid documentation Publishers Weekly In the more than 150 years since his death Abraham Lincoln has become America's most revered president The mythmaking about this self-made man began early some of it starting during his campaign for the presidency in 1860 As an American icon Lincoln has been the subject of speculation and inquiry as authors and researchers have examined every aspect personal and professional of the president's life In *Lincoln Legends* noted historian and Lincoln expert Edward Steers Jr carefully scrutinizes some of the most notorious tall tales and distorted ideas about America's sixteenth president Did he write his greatest speech on the back of an envelope on the way to Gettysburg Did he appear before a congressional committee to defend his wife against charges of treason Was he

an illegitimate child Did he have romantic encounters with women other than his wife or love affairs with men What really happened in the weeks leading up to April 14 1865 and in the aftermath of Lincoln s tragic assassination Lincoln Legends evaluates the evidence on all sides of the many heated debates about the Great Emancipator and also traces the often fascinating evolution of flawed theories about Lincoln and the motivations of the individuals occasionally sincere but more often cynical self serving and nefarious who are responsible for their dispersal Based on extensive primary research Lincoln Legends will settle many of the enduring questions and persistent myths about Lincoln s life once and for all Fascinating reading Tucson Citizen
