

ALLEN C. GUELZO

A classic oil painting of Abraham Lincoln, showing him from the chest up. He has a full, dark beard and mustache, and is wearing a dark suit with a white shirt and a white bow tie. He is looking slightly to the right of the viewer with a calm expression. The background is dark and indistinct.

Abraham Lincoln Redeemer President:

Abraham Lincoln Allen C. Guelzo, 1999 This biography of the sixteenth president explores Lincoln's life and political career along with insights into his philosophy, religious views, and moral character Abraham Lincoln, 2nd Edition Allen C. Guelzo, 2022-11-08 The story of Abraham Lincoln's faith and intellectual life, updated and revised with a new preface from the three-time winner of the Lincoln Prize and best-selling Civil War era historian Allen Guelzo. Allen Guelzo's peerless account of America's most celebrated president explores the role of ideas in Lincoln's life, treating him as a serious thinker deeply involved in the nineteenth-century debates over politics, religion, and culture. Through masterful and original scholarly work, Guelzo relates the outward events of Lincoln's life to his inner spiritual struggles and sets them both against the intellectual backdrop of his age. The sixteenth president emerges as a creative yet profoundly paradoxical man, possessed of deep moral and religious character yet without adherence to organized religion. Since its original publication in 1999, *Abraham Lincoln Redeemer President* has garnered numerous accolades, not least the prestigious Lincoln Prize. After writing several other acclaimed studies of Lincoln and other aspects of Civil War era history, Guelzo returns to update this important early work for a second edition. A new preface addresses the developments in Lincoln scholarship in the years since the book's original publication and offers Guelzo's fascinating retrospective look at the unusual path he took to becoming a Lincoln scholar.

Abraham Lincoln as a Man of Ideas Allen C. Guelzo, 2016-12-29 Despite the most meager of formal educations, Lincoln had a tremendous intellectual curiosity that drove him into the circle of Enlightenment philosophy and democratic political ideology. And from these, Lincoln developed a set of political convictions that guided him throughout his life and his presidency. This compilation of ten essays from Lincoln scholar Allen C. Guelzo uncovers the hidden sources of Lincoln's ideas and examines the beliefs that directed his career and brought an end to slavery and the Civil War. Lincoln's Emancipation Proclamation Allen C. Guelzo, 2005 Prizewinning Lincoln scholar Allen C. Guelzo presents for the first time a full-scale study of Lincoln's greatest state paper. *Lincoln, Inc.* Jackie Hogan, 2011-10-16 *Lincoln, Inc.* is an engaging examination of the uses and abuses of the sixteenth president's image in America today. Whether in political campaigns, blockbuster films, school pageants, or soft drink advertisements, the use of the Lincoln image reveals who we think we are as a nation and who we wish we could be. **Lincoln's America** Joseph R. Fornieri, Sara Vaughn Gabbard, 2016-12-21 A collection of original essays by ten eminent historians that explore religion, education, middle-class family life, the antislavery movement, politics, and law in Lincoln's America. Lincoln and Douglas Allen C. Guelzo, 2008 fill in Our Country Grant Brodrecht, 2018-06-05 A welcome contribution to the growing literature on religion during the Civil War era. Civil War News. Northern evangelicals' love of the Union arguably contributed to its preservation, and the slaves' emancipation, but in subsuming the ex-slaves to their vision for a Christian America, northern evangelicals contributed to a Reconstruction that failed to ensure the ex-slaves full freedom and equality as Americans. By examining Civil War era Protestantism in terms of the Union, Grant R. Brodrecht adds

to the understanding of northern motivation and the history that followed the war Our Country contends that non radical Protestants consistently subordinated concern for racial justice for what they perceived to be the greater good Mainstream evangelicals did not enter Reconstruction with the primary aim of achieving racial justice Rather they expected to see the emergence of a speedily restored prosperous and culturally homogenous Union a Union strengthened by God through the defeat of secession and the removal of slavery as secession s cause Brodrecht addresses this so called proprietary regard for Christian America within the context of crises surrounding the Union s existence and its nature from the Civil War to the 1880s Including sources from major Protestant denominations the book rests on a selection of sermons denominational newspapers and journals autobiographies archival personal papers of several individuals and the published and unpublished papers of Abraham Lincoln Andrew Johnson and Ulysses S Grant The author examines these sources as they address the period s evangelical sense of responsibility for America while keyed to issues of national and presidential politics

First Fathers Harold I. Gullan, 2004-04-01 A compelling introduction to the fathers of America s presidents After so much literature about first ladies and first families here finally is a fascinating book focused on the fathers of our presidents This lively and entertaining account of 44 disparate men reveals how they inspired motivated and influenced sons who ultimately ascended to the presidency They include two who were themselves presidents John Adams and George H W Bush as well as two stepfathers those of Gerald Ford and Bill Clinton First Fathers captures the whole range of the American experience from utter destitution to immense wealth from enormous success to abject failure unified by a common thread the restless ambitious quintessentially American pursuit of happiness Harold I Gullan PhD Philadelphia PA is a distinguished presidential scholar and the author of the highly praised Faith of Our Mothers on the mothers of American presidents and The Upset That Wasn t on the dramatic 1948 election

Lincoln's Emancipation Proclamation Allen C. Guelzo, 2004 Prizewinning Lincoln scholar Allen C Guelzo presents for the first time a full scale study of Lincoln s greatest state paper Using unpublished letters and documents little known accounts from Civil War era newspapers and Congressional memoirs and correspondence Guelzo tells the story of the complicated web of statesmen judges slaves and soldiers who accompanied and obstructed Abraham Lincoln on the path to the Proclamation
