learned into this manuscript Here is a part you ll find inside this book What is a Digital nomad A digital nomad lifestyle is becoming more of the trend and this article will tell you what a digital nomad is and the realities of a Location Independent Business What is a digital nomad and why are there so many people who want to work this way A digital nomad is essentially a person who works for himself Many work at home mothers do this and are known as Full Time Gigs Others work as freelancers and do things a specific way like transcribing editing proofreading or programming However some digital nomads work for service companies and do things like web design web programming accounting creative writing or translation Those who work a digital nomad lifestyle do not work for a company or boss but instead work for themselves They set their own hours and follow their own rules It is difficult to be self employed in this society because you have to rely on the wills of others and your courage to set up your business However it is not impossible and there are different ways to be self employed which can provide you with more freedom and flexibility while still bringing in some money If you want to work at home then this is the technology which is enabling the change and it is allowing nomads to work from home Companies are recognising the potential of this new method of working and the first areas to embrace the new way of working are the legal ones However it is not just the legal firms and public sector which are looking to employment technology in order to cut costs Almost every type of industry is looking at using technology in order to lower costs and in this way increase profits For example restaurants are using recruitment technology in order to lower salaries and costs Until a few years ago when every restaurant had a fixed cost of hiring training and maintenance the vast majority of restaurants were able to pay 100% of their employees salaries This meant that it was possible to pay a manager less than a waiter and save money However with the inclusion of recruitment technology the cost of hiring employees is being cut by up to 50% This does not necessarily mean that the amount of profit is increased but employees are able to be assigned to different tasks meaning that they spend less time in front of customers thus increasing their profits Interested to know more Then Scroll up Click on Buy now with 1 Click and Get Your Copy Now **Becoming a Digital Nomad** Chris Backe, 2018-04-06 Presenting the 2019 edition Imagine living the lifestyle you want while making money and working anywhere in the world Imagine enjoying the beaches in Thailand one day then trying the best pizza in Italy the next It sounds like a dream travel anywhere you want make money doing something you enjoy and live life to the fullest It s not a dream though a growing number of digital nomads are leaving the 9 to 5 life and choosing to take control of their life What s a digital nomad A person who travels at will lives where they want and does their work digitally They have no cubicle and no dress code Digital nomads are young old male female single married have children and are from almost every country on this planet If you want to become a digital nomad nothing can stop you Becoming a Digital Nomad offers a proven step by step guide to test and transition into the digital nomad lifestyle It s one part travel guide and one part how to Steps build on each other in chronological order and a dozen worksheets guide you with specific questions to answer These are freely available to save and print offline or online whatever works best for

you Step 1 know yourself and what you want focuses on you good reader We have some work on do on understanding you the person you see in the mirror Step 2 clarify your desires and acknowledge limitations does two important things in gearing you up for your journey Nomadus interruptus just a test please is an interim chapter dedicated to setting up a good test of the digital nomad lifestyle Step 3 making money puts together a list of the many ways digital nomads can make money along with some notes on how to manage your money across borders Step 4 get affairs in order focuses on what needs to be done before leaving your country Step 5 gear up and slim down focuses on what to pack and how to deal with the rest of your stuff depending on your choices from earlier steps Step 6 the big move and settling in counts you down from your last few days at your old place to your first few days at your new place Step 7 start enjoying your new life helps establish new habits make new connections and helps to make the lifestyle a sustainable one Step 8 going home or making a new home for yourself anywhere you choose to go Learn from dozens of digital nomads get how to advice on every aspect of the transition or learn how to test the lifestyle out before committing to it About the author Chris Backe has lived as a digital nomad since 2013 and taught English in South Korea for five years before that He is a travel blogger a web developer a guidebook writer and a digital nomad consultant He s married to an awesome Canadian and together they ve traveled across Asia Europe South America and North America
