Burro Bill And Me:

Burro Bill and Me Edna Calkins Price, 2020-10-01 A memoir of one young woman's decade long adventure with her husband in one of the most uninhabitable and inhospitable places on Earth. Raised as a well-to-do Virginia girl, Edna fell head over heels in love with a semi-literate and restless young man whose dreams of adventure and freedom were as wide as the California sky. I can't take a soft life, he told his bride. It rots a man. Thus began an uncommon love story. For ten happy years, 1931 to 1941, Edna and Bill Price abandoned city life and roamed sun-scorched Death Valley and the Arizona badlands on foot with their string of pack burros. They slept under the stars, scratched out a meager living from the wasteland, and hobnobbed with prospectors, outlaws, herders, and hobos. In this place, Bill explained, a man can find his God. Far from feeling displaced, Edna thrived as a desert flower. In her extraordinary memoir, a jewel of Western Americana, Edna writes with wit and grit, recalling those years when we knew no bed but the ground, no roof but the sky, when we were known all over the deserts simply as Burro Bill and Mrs. Bill. **Burro Bill and Me** Edna Calkins Price, 1973 [Pilgrims in the Desert](#) Le Hayes, 2005

The Pacific Monthly William Bittle Wells, Lute Pease, 1907 *The Pacific Monthly* William Bittle Wells, Lute Pease, 1907

Whoa You Donkey . . . WHOA! Laura Leveque, 2006 Whoa you donkey! WHOA is humor columnist Jackass Jill's collected true tales of mining camps and donkey trails. This modern-day gold prospector, treasure hunter, and mineral collector chronicles misadventures with her donkey companions Willy and Shaggy in remote ghost towns and mining districts of the frontier west. Guaranteed a fun read for anyone who loves outdoor adventure, animals, and eccentric characters. [Lizards on the Mantel](#), [Burros at the Door](#) Etta Koch, June Cooper Price, 2010-07-05 A warm, witty memoir of a young family's rugged adventure living in the newly established Big Bend National Park in the 1940s. A woman who went West with her husband in the 1840s must have expected hardships and privation, but during the 1940s, when Etta Koch stopped off in Big Bend with her young family and a twenty-three foot travel trailer in tow, which they named Porky the Road Hog, she anticipated a brief civilized camping trip between her old home in Ohio and a new one in Arizona. It was only when she found herself moving into an old rock house without plumbing or electricity in the new Big Bend National Park that Etta realized she'd left her sheltered life behind for an experience in frontier living. In this book, based on her journals and letters, Etta Koch and her daughter June Cooper Price chronicle their family's first years, 1944-1946, in the Big Bend. Etta describes how her photographer husband Peter Koch became captivated by the region as a place for natural history filmmaking and how she and their three young daughters slowly adapted to a pioneer lifestyle during his months-long absences on the photo lecture circuit. In vivid, often humorous anecdotes, she describes making the rock house into a home, getting to know the Park Service personnel and other neighbors coping with the local wildlife, and most of all, learning to love the rugged landscape and the hardy individuals who call it home. **My Uncle Bill and his Love Everest** Peter Jalesh, 2013-09-19 The novel portrays three main characters in pursuit of their dreams. The main character is Molly, a woman that becomes a jockey and pursues

her dream to win the Triple Crown derbies trophy As the story evolves she proves to have an enormous resilience in the face of a disabling illness that affects her life and her career What becomes predominant in Molly s quest for glory is the tie between her and the champion horse Their love for each other either in good fortune or in tragedy reaches further than their aspirations to achieve glory The next character in line is Uncle Bill who comes to realize one day that his life lacks a higher purpose To make up for it he designs an ultimate adventure for himself which he calls Project Everest Eventually Uncle Bill goes and climbs Mt Everest and never returns from there Reaching that peak becomes an end in itself Did Uncle Bill succeed to arrive at that peak Later on a salvage team finds on the mountain peak Uncle Bill s watch hidden under a rock What belongs to a larger than life story is that Uncle Bill s preparation for climbing Mt Everest becomes a vital activity at all population levels It looks as if each life prepares itself to help Uncle Bill triumph over defiance What Uncle Bill s project proves to others is that conquering the impossible is a human trait that belongs to all of us an aspiration of all of us to overcome the impossible The third character that gathers attention is the teen author that lives through those events and discovers what love is The background of the story is made up of farmlands a bunch of neighboring farms on which the principal activity is growing animals like pigs burrows and thoroughbred studs It is not difficult to interpret the motives interleaved by the story as being symbolic Molly s desire to win the Triple Crown begins with a fortunate chance and ends with another chance an unfortunate one an accidental chance Uncle s Bill s climbing of Mt Everest is the result of a careful planning that ends in an illusive victory Both fates described above are metaphors The sense implied here is that the pursuit of fame success and victory is beyond life That is happiness is doomed to failure in the quest of the impossible also that the boundaries of what is given to us to live are finite prone to chance and accident **The Basket** ,1903 The Basket, Or, The Journal of the Basket Fraternity Or Lovers of Indian Baskets and Other Good Things ,1903
