Demon Hunters Jonathan Hills, 2019-03-18

Eddie is a high school senior a good student who is popular and has lots of friends He s even the starting quarterback of the football team He seems to have it all but looks can be deceiving Recently he has become overwhelmed with fear and anxiety He is also having thoughts bad thoughts thoughts of harming himself and even those closest to him Is this truly how Eddie feels Are these really his thoughts or is something else going on Something invisible something evil welling up from the kingdom of darkness Just as Eddie s situation hits a breaking point an unexpected encounter shows him that spiritual warfare isn t something that just happens on TV or in books Sometimes the unseen and the earthly realms collide tearing the very fabric of space and time When that happens a demon s presence can be felt and the spiritual battle becomes all too real Thankfully a secret organization exists that helps people like Eddie A select few specially trained individuals who don t just believe demons exist they hunt them
