Aggressivity Narcissism And Self Destructiveness In The Psychotherapeutic Relationship:

Aggressivity, Narcissism, and Self-Destructiveness in the Psychotherapeutic Relationship Otto Kernberg, 2008-10-01 In this book a leading psychoanalytic clinician and theoretician presents his thoughts on the latest psychodynamic developments and insights related to treatment of severe personality disorders Dividing his discussions into two sections one on psychopathology and the other on psychotherapy Dr Otto F Kernberg examines borderline personality disorder narcissism sexual inhibition transference and countertransference suicidal behavior and eating disorders In each chapter he integrates the ideas of European and Latin American psychoanalytic thinkers bringing them to the attention of English speaking readers This book includes a selection of recently published journal articles Their collection into one volume makes readily available Dr Kernberg's present thinking on an important subject **Aggressivity, Narcissism, and Self-Destructiveness in the Psychotherapeutic Relationship: New Developments in the Psychopathology and Psychotherapy of Severe** Otto F. Kernberg, 2014-07-31 In this book a leading psychoanalytic clinician and theoretician presents his thoughts on the latest psychodynamic developments and insights related to treatment of severe personality disorders Dividing his discussions into two sections one on psychopathology and the other on psychotherapy Dr Otto F Kernberg examines borderline personality disorder narcissism sexual inhibition transference and countertransference suicidal behavior and eating disorders In each chapter he integrates the ideas of European and Latin American psychoanalytic thinkers bringing them to the attention of English speaking readers This book includes a selection of recently published journal articles Their collection into one volume makes readily available Dr Kernberg's present thinking on an important subject **On Freud's Beyond the Pleasure Principle** Salman Akhtar, Mary Kay O'Neil, 2018-05-08 Freud's *Beyond the Pleasure Principle* constitutes a major landmark and a real turning point in the evolution of psychoanalytic theory Pushing aside the primacy of the tension discharge gratification model of mental dynamics this work introduced the notion of a daemonic force within all human beings that slowly but insistently seeks psychic inactivity inertia and death Politely dismissed by some as a pseudo biological speculation and rapturously espoused by others as a bold conceptual advance death instinct became a stepping stone to the latter conceptualizations of mind's attacks on itself negative narcissism addiction to near death and the utter destruction of meaning in some clinical situations The concept also served as a bridge between the quintessentially Western psychoanalysis and the Eastern perspectives on life and death These diverse and rich connotations of the proposal are elucidated in *On Freud's Beyond the Pleasure Principle* Other consequences of Freud's 1920 paper namely the marginalization of ego instincts and the upgrading of aggression in the scheme of things are also addressed **The Art of Flourishing** Jeffrey B. Rubin, PhD, 2011-06-07 We all want more love in our lives especially when the world requires more from us every day Lasting intimacy a close and enduring relationship with someone we love who cherishes us is an indispensable source of strength resilience and hope one that we especially turn to in challenging times But too often being in an intimate relationship means

we have to compromise or lose vital aspects of ourselves How can we avoid sacrificing our own self care to get the love we want In this original surprising and deeply revealing exploration of the self and relationships Dr Jeffrey Rubin brings the art of flourishing to life The idea is startlingly simple self care is the foundation of intimacy and intimacy is the culmination of self care The Art of Flourishing provides the reader with the tools necessary to thrive to live a life of meaning passion and fulfillment An expert on both Eastern meditative and Western psychotherapeutic traditions Dr Rubin draws on the best practices of each to create a new and accessible path to living authentically His unique synthesis provides a remarkably lucid guide for handling our emotions wisely discovering our purpose and uncovering barriers to intimacy the hidden emotional weeds that kill passion such as conflicts over communication and power boundaries and sexuality Drawing from case examples and personal experiences Rubin explains how to remove these obstacles to nurture empathy and mutual respect Creating and cultivating a garden of love enables us to grow as individuals and nourish our connections with others It widens our horizon of possibility deepens our humanity and helps us flourish which is a priceless gift to the world **Handbook of**
