

A Prayer for Atheists

**I find that with greater understanding
comes deeper satisfaction
I find that gaps and dead ends
in my understanding discomfort me
I find that if I'm afraid
further seeking reveals misunderstanding
I believe that it will always be thus
This is my faith**

**I desire to seek truth
Not for fear of loss
Not for want of gain
Not for need of words
And will endeavour to pursue it
No matter what it is
No matter who says it
No matter what I already believe
This I affirm**

Agnostic Prayer:

101 Questions & Answers on Prayer Joseph T. Kelley, 2008 People have prayed since the beginnings of human culture But what exactly is prayer 101 Questions and Answers on Prayer introduces readers to the nature and experience of prayer Using the ancient understanding of prayer as lifting heart and mind to God the author answers questions about prayer and the difficulties people may encounter in praying 101 Questions and Answers on Prayer offers clear and practical answers to these questions and many many more providing an excellent introduction to the theology and practice of prayer for all seekers whatever their age or their level of spiritual development BOOK JACKET The Agnostic Age Paul Horwitz, 2011-02-02 The Agnostic Age Law Religion and the Constitution is a book for lawyers law professors law students lawmakers and any citizen who cares about church state conflict and about the relationship between religion and liberal democracy It provides a way to understand and balance the conflicts that inevitably arise when neighbors struggle with neighbors and when liberal democracy tries to reach common ground with religious beliefs and practices Paul Horwitz argues that the fundamental reason for the church state conflict is our aversion to questions of religious truth By trying to avoid the question of religious truth law and religion has ultimately only reached a state of incoherence He asserts that the answer to this dilemma is to take the agnostic turn to take an empathetic and imaginative approach to questions of religious truth one that actually confronts rather than avoids these questions but without reaching a final judgment about what that truth is This book offers a sensitive and sensible approach to questions of church state conflict justifying what the courts have done in some cases and demanding new results in others It explains how the church state conflict extends beyond law and religion itself and goes to some of the central questions at the heart of the troubled relationship between religion and liberal democracy in a post 9 11 era **American Agnostic** Raymond A. Hult, 2009-11-25 American Agnostic argues that the true worth of an American should not be based on an individual's faith or uncertainty in the reality of a biblical God American Agnostic is an attempt by author Raymond A Hult to bridge the unfortunate gap of mistrust and disrespect that too often currently exists in America between members of the Christian majority and the agnostic minority Hult places the responsibility for achieving a mutually respectful understanding equally on the shoulders of both those who fervently believe in the Christian God and those who are as yet still unsure He tries to show that moral behavior is more often than not unrelated to a person's religious persuasion American Agnostic engages Christians and agnostics in a frank discussion of the main differences of opinion that separate both groups in regard to the authenticity of the Bible and the reality of the God as presented therein Drawing on his transformation from a devout Christian leader to a questioning agnostic the author recounts in detail the thought process that led to his gradual change of belief He respectfully defends this change as reasonable and deserving of serious consideration He seeks to portray the agnostic in a more favorable light and that there is nothing inherently evil with admitting that a sure knowledge of God may not be so sure after all *Universal Prayers* Swami

Yatiswarananda,2022-05-06 This handy little book is a storehouse of choicest hymns and prayers of universal appeal culled from the Vedas the Puranas and other sources These hymns and prayers are expressive of the deep spiritual longings and realisations of the Hindu seers The compilation and English translation is by Swami Yatiswarananda one among the foremost disciples of Swami Brahmananda and a former Vice President of the Ramakrishna Order The masterly introduction by Swami Yatiswarananda guides those who wish to know why to pray and what to pray for It also deals with the historical and psychological development of the hymns

The Contemporary Agnostic Believer Aaron Caldwell,2015-04-27 The union of classical agnosticism and traditional Christianity has produced a more contemporary middle of road Christianity This book presents numerous facts about history and theology in an easy to understand manner It also re introduces us to the badly misunderstood theology of agnosticism and introduces us to Contemporary Agnosticism Presented are Jesus teachings after intense historical and scientific analysis Contemporary agnostics consider Jesus a great visionary and wandering sage but no more the son of God than any of us With that in mind the reader is urged to appreciate various contemporary religious principles not because they ll go to a mythical hell if they don t but because of its positive effect on the individual and society Christian history and theology are candidly scrutinized providing the reader with a tremendous amount of reference material

Prayerfully Yours Benjamin Vima,2012-01-05 The truth on the Power of Prayer is Biblical historical and experiential Every religion recognizes it every human that needs support to rise up and walk to think positively and live fruitfully will testify to the usefulness of prayer The Biblical testimony on the efficacy of prayer is As God s Word will not return to Him void but shall achieve the end for which He sent it Is 55 11 so the prayer of the lowly does not rest till it reaches its goal Sir 35 17 18 The author of this book having been a prey of such powerful tool in the Vineyard of the Lord shares his personal and experiential thoughts and convictions about prayer According to him only through prayer humans can build up and manage a

qualitylife as the disciples of Jesus Through this book he shares with readers some of his findings of the method of qualityprayer which is simple but productive containing little nuance but with admiration of existing Traditions and exclusive with its unique approach to prayer but inclusive of all possible saints efforts over the centuries in praying fruitfully The author compares qualityprayer process to the walking through inside portions of a Catholic Church building He tries to walk with us through the four phases of qualityprayer and make us perceive clearly our actions and God s own as well at each phase The book asserts that though prayer is not a resource and support in the natural process of human development it is by all means an indispensable source and basis for developing a matured Christian personality However mere formal or traditional prayer would do no good in this regard It would help keeping up our status quo It will not contribute much to our growth of Christian personality Even the prayer of the intellect namely prayerful meditation or reflection would not do that much help as it should This kind of prayer would meet its immature death as I had gone through sometime back Once the intellect gets more truths and facts about life God religion and universe it would surely put a full stop to any kind of prayer But if the same prayer is experiential and personal the author writes if it is intensively connecting the soul to its God the Ground of being the Beyond of everything if it accelerates the process of intimacy between the human and the Divine then surely prayer becomes the primary source of change growth and development in human personality and through him her influences the entire universe This is what happened in Jesus and so in His disciples and godly people of today I dare to name this kind of prayer as QualityPrayer **I Pray the Lord My Soul to Keep** Edward Vaughn,2015-07-16 Whether you are you Christian Jewish Agnostic or Atheist you will find this story containing and dealing with many imporant spiritual issues of life both interesting and highly relevant Unlike so many other books on this topic its not loaded with a lot of antiquated sounding Bible babble but ordinary and logical talk and our Lord is treated in a realistic and understandable manner It is based on a review of several other books on this topic and contains events which were very believably reported by individuals who experienced death and returned to life If nothing else it will help you to think more realistically about spirituality and the next life *School Prayers* United States. Congress. House. Committee on the Judiciary,1964 **Intercessory Prayer** Dutch Sheets,2016-07-19 Bestselling Author Inspires Prayer for the Impossible Called foundational revolutionary illuminating and motivating Intercessory Prayer continues to be a classic work after more than 20 years This rich biblical teaching is full of fresh insights showing how vital our prayers are and how God has always planned to work in partnership with us through prayer As Dutch explains the nuts and bolts of prayer with wisdom gentleness and humor readers will find inspiration and courage to pray for the impossible and the persistence to see prayers to completion A workbook and 8 session DVD are also available making this book ideal for small groups church classes or individuals who want to go deeper on their own
