Anxious for Armageddon Donald E. Wagner, 1995 This unique resource offers the fascinating account of Donald E Wagner s personal experience with the Middle East and calls Western Christians to work with Middle East Christians in healing the pain of Jews and Palestinians Wagner grippingly tells of his early involvement with streams of Christianity that treat Israel s possession of the Holy Land as fulfillment of a divine plan that will result in the apocalyptic battle of Armageddon

The Case for Zionism Thomas Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day

Evangelical Millennialism in the Trans-Atlantic

World, 1500-2000 C. Gribben, 2015-12-04 This book offers the first complete overview of the intellectual history of one of the most significant contemporary cultural trends the apocalyptic expectations of European and American evangelicals in an account that guides readers into the origins its evolution and its revolutionary potential in the modern world Arabic Christian Theology Zondervan, 2019-03-19 Theology is not done in a vacuum Our theology is affected by the culture in which we live and our theology can have unexpected effects on the lives of Christians who live thousands of miles away This point emerges clearly as we listen to seven Arabic evangelical theologians address issues that are of critical importance to Christians living as minorities in the Muslim world North American readers may find that many of their assumptions are challenged as they see how respected Christian thinkers from a very different context address issues of biblical interpretation national and international politics culture and gender *The Protestant-Jewish Conundrum* Jonathan Frankel, Ezra Mendelsohn, 2010-08-25 Volume XXIV of the distinguished annual Studies in Contemporary Jewry explores relations between Jews and Protestants in modern times Far from monolithic Protestantism has innumerable groupings within it from the loosely organized Religious Society of Friends to the conservative Evangelicals of the Bible Belt all of which hold a range of views on theology social problems and politics These views are played out in differing attitudes and relationships between Protestant churches and Jews Judaism and the state of Israel In this volume established scholars from a variety of disciplines investigate the Protestant Jewish conundrum They provide analysis of the historical framework in which Protestant ideas toward Jews and Judaism were formed from the 16th century onward Contributors also delve into diverse topics ranging from the attitudes of the Evangelical movement toward Jews and Israel to Protestant reactions to Mel Gibson's blockbuster film The Passion of the Christ They also address German Protestant behavior during and after the Nazi era and mainstream Protestant attitudes toward the Israeli Arab conflict Taken as a whole this compendium presents discussions and questions central to the ongoing development of Jewish Protestant relations **The Pentecostal Mission in Palestine** Eric Nelson Newberg, 2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the

forces working against peace in the Holy Land Zionism and the Quest for Justice in the Holy Land Donald E. Wagner, Walter T. Davis, 2014-07-01 A critical examination of political Zionism a topic often considered taboo in the West is long overdue Moreover the discussion of Christian Zionism is usually confined to Evangelical and fundamentalist settings The present volume will break the silence currently reigning in many religious political and academic circles and in so doing will provoke and inspire a new challenging conversation on theological and ethical issues arising from various aspects of Zionism a conversation that is vital to the quest for a just peace in Israel and Palestine The eight authors offer a rich diversity of religious faith academic research and practical experience as they represent all three Abrahamic faiths and five different Christian traditions Among the many themes that run through Zionism and the Quest for Justice in the Holy Land is the contrast between exclusivist narratives both biblical and political and the more inclusive narratives of the prophetic Scriptures which provide the theological foundation and the moral imperative for human liberation Readers will be drawn into a compelling readable and stimulating series of essays that tackle many of the complex issues that still confound clergy politicians diplomats and academic experts **Comprehending Christian Zionism** Göran Gunner ,Robert O. Smith, 2014-10-01 The question of the Christian Zionism the religious and political support of the state of Israel is fiercely debated within theology and the church as well as in the wider political and social arenas Examination of the issue is however highly relevant and crucial as it cuts across a wide array of constitutive features and beliefs of Christian life from interpretation of scripture to religious and political ethics Comprehending Christian Zionism brings together an international consortium of scholars and researchers to reflect on the network of issues and topics surrounding this critical subject these essays are the fruit of several years of collaboration by the special working group on Christian Zionism The volume includes essays from Christian scholars around the globe as well as Jewish and Palestinian contributors to provide interfaith contextual dialogue Taken together the volume provides a lens on the history of Zionism within Christian theology from a variety of locations and perspectives and offers a constructive multidimensional path for assessment and introspection around the meaning of Zionism to Christian faith and practice
