Challenging Boundaries Joyce W. Warren, Margaret Dickie, 2012-03-15 What if the American literary canon were expanded to consistently represent women writers who do not always fit easily into genres and periods established on the basis of men's writings How would the study of American literature benefit from this long needed revision This timely collection of essays by fourteen women writers breaks new ground in American literary study Not content to rediscover and awkwardly fit female writers into the white male scheme of anthologies and college courses editors Margaret Dickie and Joyce W Warren question the current boundaries of literary periods advocating a revised literary canon The essays consider a wide range of American women writers including Mary Rowlandson Margaret Fuller Harriet Beecher Stowe Emily Dickinson Frances Harper Edith

Wharton Gertrude Stein Amy Lowell and Adrienne Rich discussing how the present classification of these writers by periods affects our reading of their work Beyond the focus of feminist challenges to American literary periodization this volume also studies issues of a need for literary reforms considering differences in race ethnicity class and sexuality The essays are valuable and informative as individual critical studies of specific writers and their works Challenging Boundaries presents intelligent original well written and practical arguments in support of long awaited changes in American literary scholarship and is a milestone of feminist literary study **Aemilia Lanyer** Marshall Grossman,2021-05-11 Aemilia Lanyer was a Londoner of Jewish Italian descent and the mistress of Queen Elizabeth s Lord Chamberlain But in 1611 she did something extraordinary for a middle class woman of the seventeenth century she published a volume of original poems Using standard genres to address distinctly feminine concerns Lanyer s work is varied subtle provocative and witty Her religious poem *Salve Deus Rex Judaeorum* repeatedly projects a female subject for a female reader and casts the Passion in terms of gender conflict Lanyer also carried this concern with gender into the very structure of the poem whereas a work of praise usually held up the superiority of its patrons the good women in Lanyer s poem exemplify worth women in general The essays in this volume establish the facts of Lanyer s life and use her poetry to interrogate that of her male contemporaries Donne Jonson and Shakespeare Lanyer s work sheds light on views of gender and class identities in early modern society By using Lanyer to look at the larger issues of women writers working within a patriarchal system the authors go beyond the explication of Lanyer s writing to address the dynamics of canonization and the construction of literary history The Boarding-school Girl В Крестовский,2000 This tale of a young woman s not so sentimental education is the story of fifteen year old Lolenka who encounters an exiled radical named Veretitsyn and begins to question her education and life Under his influence Lolenka breaks with tradition and embarks upon a new life as a translator and an artist but a chance meeting with Veretitsyn years later leads to a sobering reappraisal of her mentor s convictions *Carol Shields and the Writer-Critic* Brenda Beckman-Long,2015-01-01 Throughout her literary and critical career Canadian writer Carol Shields 1935 2003 resisted simple categorization Her novels are elegant puzzles that confront the reader with the ambiguity of meaning and narrative yet their position within Shields critical feminist project has until now been obscured In *Carol Shields and the Writer-Critic* Brenda Beckman Long illuminates that project through the study of Shields extensive oeuvre including her fiction and criticism Beckman Long brings depth to her analysis through close readings of six novels including the award winning *The Stone Diaries* Elliptical open ended and concerned with women writing about women these novels reveal Shields critique of dominant masculine discourses and her deep engagement with the long tradition of women s life writing Beckman Long s original archival research attests to Shields preoccupation with the changing efforts of waves of feminist activism and writing A much needed reappraisal of Shields s innovative work *Carol Shields and the Writer-Critic* contributes to the scholarship on life writing and autobiography literary criticism and feminist and critical theory *Giving Form to an Asian and Latinx*
