Any Love Notes Today:

Every Day is Mother's Day Karen Moore,2016-02-01 For every mom and every woman who has been like a mom to others this book celebrates you This 365 day devotional contains short inspirational readings poems Scriptures and prayers that recognize your strength your influence and the beauty you alone bring to the lives of children It honors the commitment you have made to God and to your family to always do your best Officially Mother s Day comes but once a year but for you the gratitude love and praise never end For you Every Day Is Mother s Day *Preaching as Resistance* Phil Snider,2018-10-02 As nationalism patriarchy and alt right fear mongering threaten our troubled nation the pulpit has again become a subversive space of sacred resistance In this provocative and powerful collection of sermons from diverse pastors across America hear the brave and urgent voice of Christians calling for radical change rooted in love solidarity and justice Preaching as Resistance resists confronts and troubles the dangerous structures of authoritarianism and oppression crashing in from all sides and proclaims the transformation possibility and hope stirring in the gospel of Christ From big steeple churches in big cities to rural congregations in red states preaching as resistance is practiced in a wide variety of social contexts and preaching styles inspiring and equipping listeners to respond to the call of justice Ideal for pastors and church leaders Preaching as Resistance also provides the opportunity to experience hopeful welcoming Christian voices rooted in the gospel values of love solidarity and justice In these challenging times when Christianity is so often misrepresented misunderstood and misused for unjust agendas take heart and find your own voice in this collection of resistance sermons from everyday pastors across the country Nineteenth-century Scottish Rhetoric Winifred Bryan Horner,1993 Winifred Bryan Horner argues that an understanding of the changes that occurred in the content of nineteenth century courses in logic rhetoric and belles lettres taught in Scottish universities provides important critical insight into the development of the twentieth century American composition course as well as courses in English literature and critical theory Because of the inaccessibility of primary materials documenting the changes in courses taught at Scottish universities the impression remains that the nineteenth century represents a break with the traditional school curriculum rather than a logical transition to a new focus of study Horner has discovered that the notes of students who attended these classes meticulously transcribed records of the lectures that professors dictated in lieu of printed texts provide reliable documentation of the content of courses taught during the period Using these records Horner traces the evolution of current traditional composition developed in the United States in the first part of the twentieth century from courses taught in nineteenth century northern Scottish universities She locates the beginning of courses in English literature and belletristic composition in the southern schools particularly Edinburgh Horner s study opens new vistas for the study of the evolution of university curricula especially the never before acknowledged influence of belletristic rhetoric on the development of the North American composition course Note to Self... Contemplating God's Goodness Simon Tania Simon,Tania Simon,2010-08 As we encounter trials and tribulations in our

lives it is easy to see the dark clouds It is easy to hear the resounding thunder and flinch as the lightning strikes But we have a Savior who longs to hold us tightly and comfort us during these times if we'll trust Him and seek Him earnestly This book is a compilation of moments in my life where I had two options Fall into the trap of hopelessness and despair or trust God and cling to His hands trusting in His word In trusting God I have often times seen rainbows and silver linings where there had once been only dark clouds of turmoil May the scriptures from God's word and my stories of humor and growth provide inspiration to you ENJOY

In the Heart of the Canyon Elisabeth Hyde, 2009-07-14 Over the course of thirteen long days twelve assorted passengers three rafting guides and one stray dog will navigate the rapids of the Colorado River through the Grand Canyon together From their early morning rise on the shore of the river to the adrenaline rush of paddling through Lava Falls they will soon come to know each other more intimately than they could have expected Tempers will flare and decisions will be second guessed and ultimately all of them from an unhappy teenager to an aging river guide will realize that sometimes the most daunting adventures have nothing to do with white water rapids and everything to do with reconfiguring the rocky canyons of the heart

What's Here Now? Jeanne Stevens, 2022-05-17 Life is filled with uncertainty and people have never needed peace more When it comes down to it what keeps us from experiencing peace in our lives is either living in the past or living for the future When we obsess over what's already happened or put all of our efforts into creating a picture perfect tomorrow we miss what God has for us here and now The result is regret over what we can't change and anxiety over what we feel we must change That's not what God wants for us With honest transparency hope filled compassion and plenty of vulnerable humor pastor Jeanne Stevens reveals the shockingly simple path to peace presence She helps you slow down center yourself and ask the all important question What's here now Jeanne gives readers practical tools to move from obsessing about the past or worrying about the future to experiencing peace and purpose in the present moment By incorporating this simple question into your everyday life you will experience freedom from unhealthy patterns of relating to God and others through the avenues of shame guilt worry and anxiety
