Anything You Ask:

Anything You Ask Colin Urquhart, 2025-08-22 Jesus makes many astonishing promises of the response that God's children can expect to their prayers. But experience for many seems to fall far short. Addressing questions like Does God really hear me and Why doesn't He answer, Colin Urquhart shows with examples from his personal ministry how people can learn to pray with faith and see God answer their prayers. This book unveils the certainty of Jesus' words: If you ask anything in My name I will do it. By building faith on the unshakable foundation of God's Word, readers are invited to rediscover the power and promise of prayer which Jesus intends to become a way of life for all His followers. Through the lens of biblical heroes like Abraham who was fully convinced that God was able to do what He had promised, this book reveals how believers can move mountains in their own lives by trusting in Jesus' assurance: It will be done for you. Colin Urquhart was the Apostolic founder of Kingdom Faith Church and an ordained minister for over 50 years. He was at the forefront of the Charismatic Renewal Movement in the UK in the 1970s, 80s, and 90s and is widely recognised and valued throughout the world, having both experienced and led others in revival.

Written in a candid and unorthodox literary style, the text resonates with his distinctive voice, characterized by a conversational tone that draws the reader into deep contemplation. Krishnamurti's exploration challenges the traditional narratives of spirituality, inviting readers to break free from societal conditioning and embrace an experiential understanding of existence. The book articulates a departure from conventional philosophical discourse, situating itself in the existential and postmodern literary context, reflecting Krishnamurti's engagement with Eastern philosophical traditions and Western existential thought. Musaicum Books present to you the collected works of U. G. Krishnamurti. *The Mystique of Enlightenment*, *Courage to Stand Alone*, *Mind is a Myth*, *No Way Out*, *Thought is Your Enemy*, *The Natural State*. Uppaluri Gopala Krishnamurti 1918-2007, better known as U. G., was an Indian speaker who questioned the state of enlightenment as a real thing. Instead of using the word enlightenment, he used calamity and natural state to describe an event in his life. He claimed that the return to the natural state is a rare, a causal biological occurrence, an event which he referred to in his own life as the calamity. Because of this, he discouraged people from pursuing the natural state as a spiritual goal. He rejected the very basis of thought, and in doing so, negated all systems of thought and knowledge.

Hence he explained his assertions were experiential and not speculative Tell them that there is nothing to understand
