Antichrist: The Cloned Image of Jesus Christ Dr. Joye Jeffries Pugh,2018-02-12 I believe I was called to write the Lord God s truth I was born for such reason It has been my lifelong calling to investigate and reveal the puzzle of God s truth as revealed to me As our world comes closer to God s predicted end times always know Jesus Christ our Lord and Savior is near even at the door With this it is my hope to prepare you for Satan s antichrist clone who will come as a counterfeit My hope is to introduce you to the real Jesus so that you will not be deceived by this coming imposter

[Daniel and Revelation](#) Ed Pittman,2020-07-07 In 1987 when Ed joined a new church the pastor was teaching on the book of Revelation Ed so enjoyed the teaching that he decided to read what others had to say about Revelation He quickly learned that there were many different interpretations of Revelation and other books of the Bible that contained prophecy about the end times or latter days He decided that he needed to do more reading and study of scripture as well as books written by others so he could come to his own understanding of what God was telling us about how He would bring things to an end After much reading and prayer his focus narrowed primarily to the books of Daniel and Revelation The book of Daniel is about Israel in the time before Christ The prophecy in Daniel begins with the Babylonian kingdom and continues through the Roman kingdom in such detail and accuracy that many believe it was written much later and is more historical than prophetic It also tells us about the later kingdoms but in a much broader sense and less detail The book of Revelation written by John on the island of Patmos tells us about the kingdoms that come after the Roman kingdom Revelation tells us in great detail about Christ s message to the seven churches and the seventieth week of Daniel s prophecy of seventy weeks of years This includes the breaking of the seven seals the blowing of the seven trumpets and the pouring out of the seven bowl judgments Lastly it tells us the good news about the return of Christ and the establishment of His kingdom

The Bible Blueprint: A Guide to Better Understanding the Bible from

Genesis to Revelation Christine Paxson, Rose Spiller, 2021-08-17 Have you ever wanted to read the Bible but found it intimidating Have you ever read parts or all of the Bible but come away more confused than ever Does it seem like there are contradictions in the Bible Why is there an Old Testament and a New Testament Does the Old Testament even matter to Christians today How do the sixty six books of the Bible fit together Is there an overarching theme If you have asked yourself any of these questions or others you are not alone The Bible Blueprint divides the entire Bible chronologically into six easy to read parts It provides a basic understanding of Scripture as a complete story that links all the various books together It gives an overview of each book touching on highlights and some of the amazing and significant events in each without the reader getting bogged down in the more difficult sections There is no substitute for the actual Bible it is not only fascinating it is the life giving life saving life transforming Word of God so The Bible Blueprint is not a replacement for the Bible but it will whet your appetite to dig deeper into God s Book for yourself while giving you the confidence to do so **The Bible** ,
