Leia, Mad Max and Daenerys Targaryen may leave their marks on their fictional worlds, it is YOU the player who will carve your personal experience into the digital firmament of every game world you inhabit. In this accessible book full of practical tips and examples, games industry veteran Edwin McRae will guide you through the evergreen principles of player-centric game world design. How do you create game-based environments and cultures that resonate with reality? This senior narrative designer will share a range of field-tested techniques that will help you design instead of derive. How do you organise all that lore? This is a common pain point for world builders, and Edwin will offer tools and tactics that keep game bibles scoped, searchable, and sensible. How do you make your game world fun? Through the player-centric perspective, you'll see how storytelling can be used to support and enrich game play and achieve that Shangri-La of gaming experience: ludo narrative harmony. Play is what we do. Story is why we do it. And the game world is where it all happens.
