Anxious Years Politics In The Age Of Mulroney And Chretien:

Constitutional Politics in Canada and the United States Stephen L. Newman, 2012-02-01 The Canadian constitutional reforms of 1982 which included a Charter of Rights and Freedoms analogous to the American Bill of Rights brought about a convergence with American constitutional law As in the U S Canadian courts have shown themselves highly protective of individual rights and they have not been shy about assuming a leading and sometimes controversial political role in striking down legislation In clear and easy to understand language the contributors not only chart but also explore the reasons for areas of similarity and difference in the constitutional politics of Canada and the United States **Illustrated History of Canada** Robert Craig Brown, 2012 More than ever The Illustrated History of Canada is a must have reference guide for all Canadians interested in the history and the future of our country pub desc *Canadian Politics, Riding by Riding* Tony L. Hill, 2002 Minding the Public Purse Janice MacKinnon, 2003 Janice MacKinnon became minister of Finance for the province of Saskatchewan in 1993 under NDP Premier Roy Romanow just as the province became the first casualty of the debt and deficit crises that dominated both provincial and federal politics throughout the decade Minding the Public Purse is a unique mixture of political memoir and policy analysis An insider s account of how Saskatchewan avoided fiscal catastrophe it reveals the dynamics of the federal provincial finance ministers meetings that saw the rise of Paul Martin and his radical transformation of Canada s finances MacKinnon Canada s first female finance minister provides keen observations on how personalities and shared regional perspectives cut across party affiliations in the evolution of federal provincial deliberations on managing the debt crisis Although initially opposed to the radical cuts and downloading unilaterally imposed by the federal minister of Finance in his 1995 budget she now argues that they were essential and analyses how they have irrevocably transformed the Canadian federation MacKinnon provides a timely analysis of the implications of the fiscal crisis for the future of medicare and Canada s other social programs and shows why politicians must involve the Canadian public in an open and frank debate about the challenges and choices facing the nation The Anxious Years Simpson, 2002-05-24 Simpson examines the leaders we chose and why from the legacies of the Trudeau years to the rise of the Reform party Here are devastating portraits of our politicians from Brian Mulroney s farewell world tour and the wholesale destruction of the Conservative party to the anointing of St Lucien as patron saint of Quebec **Rivals for Power: Ottawa and the Provinces** Ed Whitcomb, 2017-05-01 Rivals for Power Ottawa and the Provinces tells the story of the politicians who continually contend over the division of power and money between Ottawa and the provinces The heroes and villains of this story include many of the leading lights of Canadian history from John A Macdonald Wilfred Laurier and Maurice Duplessis to Pierre Trudeau Joe Clark Bill Davis Peter Lougheed and Jean Chretien The unique feature of this book is its focus no matter what their policies Canadian politicians over the years have engaged in an ongoing push and pull over power with both successes and failures As Whitcomb sees it the success of the provinces at preventing Ottawa from becoming the

overwhelming power in Canadian life has been the key to the country's stability and its cultural cohesion. But the failure of the provinces to achieve an equal measure of power and the growing gap between the have and have not provinces stands as an ongoing challenge and threat to the country's unity. **The Canadian Historical Review** ,1997 *Canadian Who's Who 2008* Elizabeth Lumley,2008-01-05 Now in its ninety eighth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians. Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada.
