Any Way You Cut It Meat Processing And Small Town America:

Any Way You Cut it Donald D. Stull, Michael J. Broadway, David Griffith, 1995 Many rural communities attract meat poultry and fish processing plants owned by transnational corporations They often bring social disorder in their wake incoming workers This work offers anthropological geographical sociological journalist and industrial perspectives on the issue

Any Way You Cut it Donald D. Stull, Michael J. Broadway, David Craig Griffith, David Griffith, 1995 Many rural communities attract meat poultry and fish processing plants owned by transnational corporations They often bring social disorder in their wake incoming workers This work offers anthropological geographical sociological journalist and industrial perspectives on the issue

We Just Keep Running the Line LaGuana Gray, 2014-11-05 The poultry processing industry in El Dorado Arkansas was an economic powerhouse in the latter half of the twentieth century It was the largest employer in the interconnected region of South Arkansas and North Louisiana surrounding El Dorado and the fates of many related companies and farms depended on its continued financial success *We Just Keep Running the Line* is the story of the rise of the poultry processing industry in El Dorado and the labor force composed primarily of black women upon which it came to rely At a time when agricultural jobs were in decline and Louisiana stood at the forefront of rising anti welfare sentiment much of the work available in the area went to men driving women into less attractive labor intensive jobs LaGuana Gray argues that the justification for placing African American women in the lowest paying and most dangerous of these jobs like poultry processing derives from longstanding mischaracterizations of black women by those in power In evaluating the perception of black women as less than white women less feminine less moral less deserving of social assistance and less invested in their families and communities well being Gray illuminates the often exploitative nature of southern labor the growth of the agribusiness model of food production and the role of women of color in such food industries Using collected oral histories to allow marginalized women of color to tell their own stories and to contest and reshape narratives commonly used against them *We Just Keep Running the Line* explores the physical and psychological toll this work took on black women analyzing their survival strategies and their fight to retain their humanity in an exploitative industry

Crime and Policing in Rural and Small-Town America Ralph A. Weisheit, David N. Falcone, L. Edward Wells, 2005-09-21 While most researchers see the urban setting as being the only laboratory for studying crime problems throughout the United States *Crime and Policing in Rural and Small Town America* directly challenges this notion with an authoritative look at crime and the criminal justice system in rural America today The assumption that rural crime is rare and comparable across various communities has led to incompatible theories and irrelevant practices In order to transform this misconception the Third Edition offers a clear outline of the definition of rural and provides a vital argument for why rural and small town crime should be studied more than it is The book also explores the individual nature of issues that emerge in these communities including illegal drug production domestic violence agricultural crimes rural poverty and gangs in addition to the training needs of rural police

probation in rural areas and rural jails and prisons Responding to rural crime requires an awareness of its context and how justice is carried out as well as an appreciation of how features vary across rural areas Understanding the relationships among crime geography and culture in the rural setting can reveal useful ideas and implications for crime and justice in communities across the United States **Any Way You Cut it** David D. Stull, Michael J. Broadway, David Griffith, 1995

Population Change and Rural Society William A. Kandel, David L. Brown, 2006-01-13 This book contains the latest research on social and economic trends occurring in rural America It provides a unique focus on rural demography and the interaction between population dynamics and local social and economic change It is also the first volume on rural population that exploits data from Census 2000 The book highlights major themes transforming contemporary rural areas and each is examined with an expanded overview and case study On the Line Vanesa Ribas, 2016 How does one put into words the rage that workers feel when supervisors threaten to replace them with workers who will not go to the bathroom in the course of a fourteen hour day of hard labor even if it means wetting themselves on the line From the Preface In this gutsy eye opening examination of the lives of workers in the New South Vanesa Ribas working alongside mostly Latino and native born African American laborers for sixteen months takes us inside the contemporary American slaughterhouse Ribas a native Spanish speaker occupies an insider outsider status there enabling her to capture vividly the oppressive exploitation experienced by her fellow workers She showcases the particular vulnerabilities faced by immigrant workers a constant looming threat of deportation reluctance to seek medical attention and family separation as she also illuminates how workers find connection and moments of pleasure during their grueling shifts Bringing to the fore the words ideas and struggles of the workers themselves On The Line underlines how deep racial tensions permeate the factory as an overwhelmingly minority workforce is subject to white dominance Compulsively readable this extraordinary ethnography makes a powerful case for greater labor protection especially for our nation's most vulnerable workers *Class Acts* E. Paul

Durrenberger, Suzan Erem, 2015-12-03 American labor leaders are constantly developing new programs to revive the union movement What happens when these plans collide with the daily lives of front line union staff and members This book examines the often conflicting interests of key players in the trenches of a national effort to bring back the American labor movement Brutally honest funny never dull this anthropological ethnography shows the daily struggles of union members today to bring about positive change and hold together their urban labor union in an era of globalization outsourcing and deindustrialization A union activist and an anthropologist the authors pair up to offer inside/outside views of labor unions and of how anthropological fieldwork is done Explaining coaching and warning Paul of hazards Suzan the communications director for the Local provides inside views and details of day to day interactions Paul the anthropologist provides outside analytical views that related Suzan's experiences and his own observations to the wider view anthropology offers through ethnography holism and comparativism The result is a story of one dynamic union local one anthropological study and the lit

fuse that connects them until the end *Interactions Between Agroecosystems and Rural Communities* Cornelia Flora, 2001-02-05 There is an increasing realization among biophysical scientists that human behavior drastically impacts the degree to which sound agroecosystems are implemented Written by an international team of experts assembled by a leading rural sociologist *Interactions Between Agroecosystems and Rural Communities* shows how human behavior impacts agroecosyst *The Maya of Morganton* Leon Fink, 2024-10-22 In 2003 Leon Fink published his oral history of Guatemalan and Mexican migrants in Morganton North Carolina and their fight for unionization in a poultry processing plant In the following years Fink remained in touch with many of the people he profiled in the book and in 2022 he returned to Morganton to interview them and talk with their children new migrants in the area and community leaders particularly women Their conversations covered a wide range of topics including labor struggles and victories grassroots and electoral political organizing social activism especially on issues affecting undocumented migrants class mobility for second generation migrants and new cooperative worker owned institutions including a bookstore a textile factory and a preschool This revised and expanded edition of *The Maya of Morganton* reveals what Fink found on his return to Morganton documenting two decades of continuity and change in a new preface and chapter Together the new and original material present a comprehensive yet intimate examination of the migrant experience in western North Carolina
