**Living with Animals** Erin McKenna, 2020-11-15 *Living with Animals* brings a pragmatist ecofeminist perspective to discussions around animal rights animal welfare and animal ethics to move the conversation beyond simple use or non use decisions. Erin McKenna uses a case study approach with select species to question how humans should live and interact with various animal beings through specific instances of such relationships. Addressing standard topics such as the use of animals for food use for biomedical research use in entertainment use as companions use as captive specimens in zoos and use in hunting and ecotourism through a revolutionary pluralist and experimental approach McKenna provides an uncommonly nuanced accounts for complex relationships and changing circumstances. Rather than seek absolute moral stands regarding human relationships with other animal beings and rather than trying to end such relationships altogether the book urges us to make existing relations better. *Alice Walker* Maria Lauret, 2011-02-01 Alice Walker Pulitzer Prize winning author of *The Color Purple* is one of America's major and most prolific writers. They reflect a range of critical methods intended to prompt new and experienced readers to consider the African American novel as a cultural and literary act of extraordinary significance. **The Cushion in the Road** Alice Walker, 2013-04-09. The National Book Award and Pulitzer Prize winning author of *The Color Purple* explores our modern world with compassion, courage, and humor. Booklist: Alice Walker once ached for retirement, but in the turmoil of the Democratic primaries and the economic collapse of 2008, she realized she simply had a great deal more to say. Leaving her meditation cushion behind, she found herself traveling the world once again to speak of our intertwined personal, spiritual, and political destinies through ruminations, poems, essays, and letters. At the height of her literary powers, this revered American novelist, poet, essayist, and activist invites readers on a journey of political awakening and spiritual insight. While visiting subjects she has addressed throughout her career, including racism, Africa, Palestinian solidarity, and Cuba, as well as addressing emergent issues such as the presidency of Barack Obama and health care, Walker explores her conflicting impulses to retreat into inner contemplation and to remain deeply engaged with the world. Rich with humor and wisdom and informed by Walker's unique eye for the details of human and natural experience, *The Cushion in the Road* is a heartfelt response to a new generation's yearning for public service. Kirkus Reviews: Walker's concern for the state of humanity and the planet comes through as impassioned and genuine. Publishers Weekly: Quintessential Alice Walker, edgy, demanding, prayerful, loving, and aware. An essential companion for those who wish to be a force for positive change in our perpetually challenging world. ForeWord Magazine: Infused with a quiet grace and gentle resolve to act responsibly. Kirkus Reviews: **Alice Walker**. Deborah G. Plant, 2017-08-18. This biography explores Alice Walker's life experiences and her lifework in context of her philosophical thought and celebrates the author's creative genius and heroism. Born in Eatonton, GA, in 1944, a daughter of sharecroppers, Alice Walker has lived a remarkable and courageous life, and she continues to do so as an elder. Taking inspiration from her great-great-great-grandmother who lived enslaved in the American South and died at age 125, Walker's activism stems from a philosophy that embraces all life and expresses itself through courageous truth-telling, a resolute stand for freedom, and radical love. *Alice Walker: A Woman for Our Times* offers a full examination of the intellectual underpinnings of Walker's life and her oeuvre from a philosophical standpoint. This philosophical biography draws a portrait of the author that reveals the nuances of her character, clarifies the relationship between her life experiences and her lifework, and the philosophical thought that underlies both.
