The Apparitions of Garabandal Francisco Sanchez Ventura, 2019-05-12 The definitive analysis of the events in Garabandal Author Francisco Sanchez Ventura describes in the most objective manner the events which took place in the village of San Sebastian de Garabandal Spain between 1961 and 1965 **The Apparitions of Garabandal** Francisco Sanchez-Ventura y Pascual, 1988 **Miracle at Garabandal** Conchita Gonzalez, Harry Daley, 1983-01-01 Gonzalez recounts the story of how she and three other girls manifested signs of divine ecstasy in a first hand report on a miracle that took place at Garabandal Spain between 1961 and 1965 Miracle at Garabandal Harry Daley, 1985 The Apparitions of Garabandal Francisco Sánchez-Ventura y Pascual, 1970 **A Walk to Garabandal** Ed Kelly, 2017-10-14 Kelly's Walk starts when the high school Spanish teacher travels to Spain seeking adventure A man sipping wine in a bar greets him Americano you're late A few years ago the foreigners poured through here to watch the strange reactions of four little girls who claimed visits from an angel and the Virgin Mary Kelly samples the food and wine and moves on to Pamplona where avoiding being gored by the bulls chases away all thoughts of little levitated mountain girls Back home he learns that the Vatican takes seriously the predictions of a future horrifying warning for everyone in the world followed in the village by the greatest miracle in history at which the sick will be cured Conchita confirms to a BBC interviewer that if the conditional punishment follows it would be better that her children had never been born The author returns the next summer and fourteen more times to live more than four years total in the area He listens to eyewitnesses relive what they had seen and heard and felt during the apparitions and gets to know the visionaries He shows how the attractive twenty two year old Conchita is even more fascinating living incognito as Maria in Barcelona In February 2018 the first movie on the happenings opened and has people all over Spain talking about Garabandal The movie is projected to open in the U S before the end of the year We are living in the end times

The Great Apparitions of Mary Ingo Swann, 2018-09-02 The Great apparitions starting with Guadeloupe in 1531 occur with a steady and increasing drumbeat across the decades and centuries The places and the principals involved change but the messages calling people to turn from lives of violence and sin and to seek repentance are remarkably similar By focusing on the most widely known and documented appearances and presenting them in chronological order the events and the messages emerge in a powerful way Swann shows how advances in science have placed the apparitions in a more intriguing light One of the historic challenges concerning them was how could something which was not there be there in a way that registered on the eye mechanisms The discovery of holography where images that appear to be three dimensional having bulk shape and mass images that can even be photographed has provided an analogy that enlarges our perception of the physical laws and challenges the skeptics verdict of hallucination Catholic or not religious or not believer or not this fascinating and compelling account of the appearances of Mary challenges readers to reflect on the messages and their possible consequences for our civilization and for our future **The Apparitions at Garabandal** H. Zimdars-Swartz, 2014-07-14 In the past two centuries hundreds of apparitions of the Virgin Mary have been reported drawing crowds to the seers and the sites and constituting events of great religious significance for millions of people worldwide Here Sandra Zimdars Swartz provides a detective like investigation of the experiences and interpretations of six major apparitions including those at La Salette and Lourdes in France during the mid nineteenth century at Fatima Portugal in 1917 and the more recent ones at San Damiano Italy Garabandal Spain and Medjugorje Yugoslavia where the apparitions continue Adopting a phenomenological approach to these encounters with Mary one that is neither apologetic nor antagonistic the author explores the tension between the personal meaning of the events for their subjects and the public appropriation of this meaning by a larger religious community Along the way she examines the backgrounds of the seers their willingness or reluctance to talk about the apparitions and their messages the amount of emotional support they received from family and community as news of the apparitions spread the reports of miracles at apparition sites the reactions of local authorities and the steps taken by the Roman Catholic Church in officially recognizing or rejecting the apparitions as worthy of belief The author concludes with a survey of religious worldviews based on Marian apparitions focusing especially on the now popular transcultural apocalyptic nature of these messages to the modern world Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
