Tourism Supply and Demand Alastair M. Morrison, Dimitrios Buhalis, 2023-09-25 This Handbook provides a comprehensive overview of trends and issues in the global supply and demand on tourism. With contributions from 70 authors, this Handbook showcases a diverse range of perspectives with insights from around the globe. It reviews the interactions among trends and issues and it emphasises the importance of tracking and interpreting these on a global scale. The book is organized into three parts with Part I focusing on supply side trends including transport, attractions, culture, heritage, tourism technology, policies and destination management. Part II critically reviews the external factor trends including the impact of terrorism, multi-crisis destinations, Generation Z's important contributions to the sector, the regulation of sharing economy platforms and nature tourism in future. Part III focuses on market-led trends such as bleisure, glamping, VFR travel, transformational tourism and new trends in wellness tourism following the post-COVID era. The book also provides predictions for the upcoming decades. This Handbook will be a vital tool for researchers, students and practitioners in the tourism and hospitality sector to further develop their knowledge and expertise in the field. It examines business and policy implications offering guidance for developing sustainable competitive advantage.

Research Handbook on Social Media and the Law Thaddeus Hoffmeister, Marilyn Bromberg, 2025-06-09 This Research Handbook critically examines the complex relationship between social media and the law. Expert scholars and practitioners analyze key issues through both practical and theoretical lenses highlighting opportunities for advancing legal scholarship in the field.

Handbook of Digital Innovation, Transformation, and Sustainable Development in a Post-Pandemic Era M. Affan Badar, Ruchika Gupta, Priyank Srivastava, Imran Ali, Elizabeth A. Cudney, 2024-12-30 Businesses have faced a variety of difficulties as a result of the global pandemic and how they responded to this disruption has affected both their resilience and their ability to get through this crisis. Digital technologies have played a crucial role in addressing these issues and fostering resilience. It is therefore imperative to explore options for post-pandemic business transformation and rethinking sustainable development. Handbook of Digital Innovation Transformation and Sustainable Development in a Post-Pandemic Era covers digital innovation and business transformation to build resilience for sustainable development and growth and highlights the impact of supply chain disruptions and solutions to sustain. The handbook stands out for its inclusion of industry cases from various regions across the globe. By presenting the use of big data, blockchain technology and Industry 4.0, the handbook conveys how to work towards sustainable development and offers self-reliant and sustainable business models. Researchers and practitioners in industrial engineering, engineering management, business management, supply chain management and digital technologies along with businesses can apply the research and practices covered in the
