Nouwen, 2011 It was January 1990, the dawn of a new decade, and Henri Nouwen, world-renowned spiritual writer, was in France, but his writing wasn't going well. Frustrated and discouraged, he decided to go to Lourdes, even though it was the off-season to give his anxious heart a rest. This profoundly inspiring journal is the result of his three-day stay. Lourdes restored Nouwen's inner peace and helped him return to his sacred center. He realized, of course, that he did not need to be at Lourdes to find peace and joy. The purity, simplicity, and freedom he experienced belong to the heart and can be lived anywhere. Whether we have been to Lourdes or not does not matter. This small journal is bound to touch our own restless and searching hearts and help us to find again our own sacred center, the living Christ within us. **The Journey to Inner Peace** Paul Feider, 2013-09-01 Peace is my farewell to you; my peace is my gift to you. John 14:27. With these words, Jesus established his legacy to humankind. Yet the journey to peace is not an easy one. Father Feider presents a step-by-step understanding of inner peace, its importance as a gift from God, and as a means for discovering the real meaning of life. Writing in a simple, experiential manner
