All The Way To God:

God Brought Us All the Way Frank Robinson, Jr.,2009 No matter how far we stray God is faithful Even the prodigal son was welcomed when he finally returned to God s will If you think you can not be forgiven think again If you do not know where to begin this is it Excerpt From Part IV Can you imagine being a thousand miles from home with no money no job and no place to live in a freezing climate I had my clothes and some blankets in my car All I could do was get into my car and wrap up in blankets and try to get through the night Every few hours I would start the car and turn the heater on to warm up The next morning I was allowed into the mission for breakfast I crawled into the emergency room They kept me overnight for observation Little did I know they never expected me to recover The doctors told my family there was nothing they could do They were sure I would die That night I saw God Twenty two years later this is my story **Freedom All The Way Up**

Christian J. Barrigar,2017-05-19 **Freedom All The Way Up** proposes four intertwined elements that make up the meaning of life self worth purpose identity and hope Materialism atheism claim the universe has no meaning so there is no larger purposeful story into which we can place ourselves we are left on our own to construct meaning for our lives Barrigar argues though that the universe possess God s meaning and purpose to provide the space and conditions by which to bring about the existence of agape capable beings in agape loving relationships with God and with others In effect the universe is a great freedom system designed by God with freedom built in all the way up from the Big Bang to the emergence of big brains and free will Barrigar describes the emergence of this system through his novel agape probability account of God s design for the universe which integrates such disciplines as quantum physics statistical mechanics probability theory evolutionary psychology neuroscience and game theory This system sets up the conditions for a fundamental choice between autonomous freedom which focuses principally on self and agapic freedom which focuses principally on God and on others Materialism chooses autonomous freedom but thereby introduces nihilism into each of the elements of meaning In turns out that nihilism is a much greater problem for Materialism than suffering is for Theism In contrast agapic freedom infuses self worth purpose identity and hope with God s agape love dispelling Materialism s inherent nihilism **Freedom All The Way Up** provides a dramatic new proposal for God and the meaning of life in our scientific and humanist age **A New Way To Fight:**

Overcoming All Odds With God's Love Jared Meredith,2013-08-14 Heart of grace has released its second book in The Everyday Word series and gives great incite on how to overcome adversity and teaches a greater love through the spirit of God If you are in need of a greater love to forgive and to finally let go of problems then this is recommended for you Contains daily exercises to promote spiritual growth as well as scripture from the bible to inspire you every day *All The Way Up* Richard Bowen,2022-11-03 My book is about my experiences growing up in an extremely broken and abusive home My rebellious and destructive choices led me to being incarcerated for over ten years of my life in both state and federal prisons years spent functioning as a severe drug addict and being emotionally and spiritually disconnected from God and all who

loved me It is my story of love finding me and shining a light so bright that I could not deny the existence of our living God and His profound love and overwhelming mercy It is my story of realizing that I have never been alone The Way of God
 Sher Gill,2014-09-10 The way of God It Just Is there are no two ways either you are living within this Spiritual fountain or waiting at seashore In this book there are number of chapters The Way of God Spirit Children of God Are you a Gardener Love force Silence and many more to express the qualities or attitudes to be adopted to have any spiritual success within the presence of God Any religious or material approach will not lead you in to the presence of God until you adopt universal spiritual living same as God itself Now you have become part of IT and there is nothing you can not know or experience This life has to be lived consciously and make the most of it while you can lost time is never recovered This ticking needle of clock does not stop for anyone move along with this present moment it is continuous of IS ness all the time as IT Just Is Spirit is the only way being the essence of God There is no other way or Path that leads directly to the centre of God May you find your way within Ceasefire! Religions and the Way to God Controversy Amelikeh C. E. N.,2015-02-23 There has been much speculation and interreligious debates with regards to the number of possible ways that may lead a person to God and what the ways are Most of the debates have been between Christians and Muslims and between those people who think there is possibly more than one way to God and those people who think that only one way is possible by which a human being may get to God the creator for eternal life How many ways are truly there to God one or many Any of these answers are easy to give but are different depending on ones school of thought or religious affiliation The truth or at least the honest evidence is the only solution to the whole controversy so that peace may prevail for unity to be possible on the issue of the way to God In this book the honest evidence of truth of the number and identity of the possible ways to God is discovered by treading the path of neutrality for truth It is high time we settled the controversy among the religions concerning the way to God The One Good Way of God: Contrary to the Many Different Ways of Mens Making, Etc Richard HODDEN,1661 **The Way to God** SHER GILL Galib,2023-01-01 The Way to God is a collection of wisdom pearls to benefit all Seekers who want to explore the worlds beyond in this lifetime All chapters reveal the unknown to the Seekers to become the master of their universe If you are bold and adventurous there is nothing you cannot do or know The old spiritual science presented with a fresh approach can benefit all religious followers The information provided in this book is the key to the secret worlds How to travel within is explained with diagrams which you have probably never seen or heard of before God is known to be living in a faraway country but this distance could be as close as your heartbeat or less than a hair s breadth In God's Way Bjørnstjerne Bjørnson,1908 **With All Might** Riaan Engelbrecht,2023-01-18 Of the greatest commandment we read in Mark 12 NIV 29 The most important one answered Jesus is this Hear O Israel The Lord our God the Lord is one 30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength We need to again place a spotlight on the word strength So what does it then mean to serve God with all our strength We can also ask do we

really serve and love God with all our strength For if we do then we must make every effort day and night to obey God to follow Him to love Him and to serve Him We must do so with every ounce of our strength with every ounce of conviction and there must be no room none whatsoever for the world to steal our love for God or our devotion loyalty and faithfulness To love God with all our strength might is to constantly all the time seek His will His ways and truth It calls for us to pay attention to God to be serious about Him above everything else and to love Him as our First Love
