Alexis Returns:

Alexis Returns Eileen Lottman, 1985-01 **Flesh Made Word** Aviad M. Kleinberg, 2008 In the fourth century a new narrative genre captured the imagination of the faithful the accounts of the lives of Christian saints Kleinberg argues that these stories were more than edifying entertainment By retelling the story of virtue and salvation by expanding the religious imagination of the West they were reshaping Christianity itself *Peter the Great Through British Eyes* Anthony Cross, 2000-11-30 Peter the Great's visit to England in the first months of 1698 has been called the most picturesque episode in the history of Anglo Russian relations and lives on most vividly in popular memory for the devastation caused at Sayes Court John Evelyn's house and garden in Deptford Recent celebrations of the tercentenary of that visit have refocused attention on the most famous of Russian tsars but the story of Britain's love hate relationship with him over the intervening centuries has never before been told This study analyses changing British reactions to Peter in an extremely wide variety of printed sources newspapers and journals letters and collections of anecdotes histories and biographies novels poems and plays A final innovative chapter is devoted to images of the tsar as interpreted by British painters from Godfrey Kneller to Daniel Maclise and by a whole cohort of engravers illustrating biographies and travel accounts **Vampires Vs. Aliens, Book Seven** Keith B. Darrell, 2022-10-15 They came from another dimension a microscopic interdimensional void seeking bodies to inhabit so they might exist in our dimension And what better host for these alien invaders than Earth's apex predators vampires Both humanity and vampires are at risk and neither is aware the alien Void Wraiths already walk among them and are infiltrating their abodes In Book 7 New Beginnings Alexander plots to unleash the body snatching Void Wraiths on the vampires at the mansion and the Conclave of Elders wants to put Gaunt and Sebastian on trial High schooler Benton Cartwright arrives with a deadly secret and an uncanny ability that might save the world *History of Peter the Great, Emperor of Russia* Jacob Abbott, 2009-01-01 Abraham Lincoln raved that this series of historical biographies gave him just that knowledge of past men and events which I need I have read them with the greatest interest To them I am indebted for about all the historical knowledge I have Considered what we would now call young adult literature this collection first published between 1848 and 1871 was designed to present a clear distinct connected narrative of the lives of the great figures of world history those people who have been most influential at least as American author and educator JACOB ABBOTT 1803 1879 saw it from his 19th century perspective Wildly popular and republished many times under different collected names this replica set mimics the 1904 reprint known as the Makers of History series It will delight students of history as well as show the scholar how history telling has changed over the last few centuries More than 30 other volumes in the series are also available from Cosimo Classics This volume dating from 1859 covers Peter the Great 1672 1725 who built the tsardom of Russia into an empire and became its first emperor including his family and childhood the building of St Petersburg the Empress Catharine and much more *Peter the Great* M.S. Anderson, 2014-06-11 An excellent introduction

to the formidable life and career of Peter the Great and his impact on Russia M S Anderson assesses his aims and achievements at home and abroad and examines the pressures and restrictions that shaped his attitudes and limited his actions

Furs and Fevers Lynn MacKaben Brown, 2023-05-26 Don't mistake this for dry history Lynn MacKaben Brown's *Furs and Fevers* offers the reader a view into a long lost and mostly forgotten world a world where Indigenous tribes interact with French Canadian trappers and traders while their way of life is unravelling under the pressure of American expansion into Indiana The characters are historical and their interactions follow the historical records available thanks to Brown's exhaustive research The author has a gift for placing believable and compelling words in the mouths of those long dead and weaving it all into a story that keeps the reader entranced Along the way without noticing that reader receives an education into the systems and politics of Indiana and the frontier in the early part of the 19th century There is plenty within these pages to challenge you and controversial actions that leap out of their hoary context and force you to contend with your contemporary judgements and worldview The past has dilemmas that can still cause debate today *Furs and Fevers* is a compelling enjoyable and highly enlightening read that I envy you the initial discovery experience that is now sadly in my rear view mirror Savor it em Brian Hogan direct descendent of Dominique Rousseau Lynn enthusiastically embraces the concept of history as a story She combines bulldog determination to unearth truth with her interpretation of events Then she re creates the multicultural time honored role of tribal historian storyteller And who doesn't love a good story Sigmund Brouwer author of *The Last Temple*

Russia Mauricio Borrero, 2009 A reference guide to the world's largest country Covering influential individuals significant places and important policies it provides readers with a greater understanding of Russian history A narrative history chronology and A Z entries are included
