Algerian War 1954-1962:

Index Islamicus, 1996 **France and the Algerian War, 1954-62** Martin S. Alexander, John F. V. Keiger, 2002 The French army's war in Algeria has always aroused passions This study offers an honest appraisal of the atrocities carried out on both sides to reveal that what happened in Algeria was indeed a war and not just a minor conflict *The Algerian War 1954-62* Martin Windrow, 2013-06-20 It is hard to convey the public impact of France's war to maintain her colonial grip on Algeria In the late 1950s this ugly conflict dominated Europe's media to almost the same extent as would Vietnam ten years later It brought France to the very verge of military coup d'etat it destroyed thousands of careers bitterly divided the French military and political classes for a generation and was characterised by extreme atrocities and war crimes This compact illustrated study details the history organisation equipment and uniforms of the forces involved in the conflict that would lead Algeria to independence **A Savage War of Peace** Alistair Horne, 2011-03-01 This celebrated history of the Algerian War captures a contingent moment in the conflict between the West and the Arab world reminding us that modern history is not made by the clash of civilizations but by people Harper's Magazine This universally acclaimed history should have been mandatory reading for the civilian and military leaders who opted to invade Iraq The Washington Times The Algerian War lasted from 1954 to 1962 It brought down six French governments led to the collapse of the Fourth Republic returned de Gaulle to power and came close to provoking a civil war on French soil More than a million Muslim Algerians died in the conflict and as many European settlers were driven into exile Above all the war was marked by an unholy marriage of revolutionary terror and repressive torture Nearly a half century has passed since this savagely fought war ended in Algeria's independence and yet as Alistair Horne argues in his new preface to his now classic work of history its repercussions continue to be felt not only in Algeria and France but throughout the world Indeed from today's vantage point the Algerian War looks like a full dress rehearsal for the sort of amorphous struggle that convulsed the Balkans in the 1990s and that now ravages the Middle East from Beirut to Baghdad struggles in which questions of religion nationalism imperialism and terrorism take on a new and increasingly lethal intensity A Savage War of Peace is the definitive history of the Algerian War a book that brings that terrible and complicated struggle to life with intelligence assurance and unflagging momentum It is essential reading for our own violent times as well as a lasting monument to the historian's art *France and the Algerian War, 1954-1962* Martin S. Alexander, J.F.V. Keiger, 2013-10-14 The French Army's war in Algeria has always aroused passions This book does not whitewash the atrocities committed by both sides rather it focuses on the conflict itself a perspective assisted by the French republic's official admission in 1999 that what happened in Algeria was indeed a war *The Battle of Algiers* 50minutes, 2016-04-26 Keen to learn but short on time Get to grips with the events of the Battle of Algiers in next to no time with this concise guide 50Minutes.com provides a clear and engaging analysis of the Battle of Algiers The Battle of Algiers was a painful episode in the Algerian War in which Algeria fought for independence from the colonial power France

Although France ultimately secured a victory in the battle its aggressive methods and harsh repression including torture and summary executions led to international outcry In just 50 minutes you will Understand the political and social context surrounding the battle and the reasons for its outbreak Identify the main participants in the conflict and the role they played Analyse the outcome of the battle and its impact on the futures of France and Algeria ABOUT 50MINUTES COM History Culture 50MINUTES COM will enable you to quickly understand the main events people conflicts and discoveries from world history that have shaped the world we live in today Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery

The Algerian War and the French Army, 1954-62 Martin S. Alexander, Martin Evans, J.F.V. Keiger, 2002-11-09 The Algerian War 1954 62 was one of the most prolonged and violent examples of decolonization Bringing to an end 132 years of French rule the Algerian struggle caused the fall of six French prime ministers the collapse of the Fourth Republic and expulsion of one million French settlers This volume bringing together leading experts in the field focuses on one of the key actors in the drama the French army They show that the Algerian War was just as much about conflicts of ideas beliefs and loyalties as it was about simple military operations In this way the collection goes beyond polemic and recrimination to explore the many and varied nuances of what was one of the historically most important of the grand style colonial wars

A Savage War of Peace Alistair Horne, 1996-10-01 Thoroughly sharp and honest treatment of a brutal conflict The Algerian War 1954 1962 was a savage colonial war killing an estimated one million Muslim Algerians and expelling the same number of European settlers from their homes It was to cause the fall of six French prime ministers and the collapse of the Fourth Republic It came close to bringing down de Gaulle and twice to plunging France into civil war The story told here contains heroism and tragedy and poses issues of enduring relevance beyond the confines of either geography or time Horne writes with the extreme intelligence and perspicacity that are his trademarks
