

THE ALICE COMPANION

A GUIDE TO LEWIS CARROLL'S ALICE BOOKS

Jo Elwyn Jones and J. Francis Gladstone

Foreword by Roy Porter

Alice Companion Guide Carrolls Bks

Thomas Griffiths

Alice Companion Guide Carrolls Bks:

Alice's Adventures Will Brooker, 2004-01-01 The author of *Batman Unmasked* and *Using the Force* turns his attention to Lewis Carroll and Alice taking the reader through a revealing tour of late 20th Century popular culture following Alice and her creator wherever they go The result is an in depth analysis of how one original creation symbolizes different things to different people

The Alice Books and the Contested Ground of the Natural World Laura White, 2017-06-26 Though popular opinion would have us see Alice's *Adventures in Wonderland* and *Through the Looking Glass* and *What Alice Found There* as whimsical nonsensical and thoroughly enjoyable stories told mostly for children contemporary research has shown us there is a vastly greater depth to the stories than would be seen at first glance Building on the now popular idea amongst Alice enthusiasts that the Alice books at heart were intended for adults as well as children Laura White takes current research in a new fascinating direction During the Victorian era of the book's original publication ideas about nature and our relation to nature were changing drastically The Alice Books and the Contested Ground of the Natural World argues that Lewis Carroll used the book's charm wit and often puzzling conclusions to counter the emerging tendencies of the time which favored Darwinism and theories of evolution and challenged the then conventional thinking of the relationship between mankind and nature Though a scientist and ardent student of nature himself Carroll used his famously playful language fantastic worlds and brilliant often impossible characters to support more the traditional Christian ideology of the time in which mankind holds absolute sovereignty over animals and nature

Lewis Carroll's Alice's Adventures in Wonderland and Through the Looking-Glass Zoe Jaques, Eugene Giddens, 2016-05-06 Emerging in several different versions during the author's lifetime Lewis Carroll's Alice novels have a publishing history almost as magical and mysterious as the stories themselves Zoe Jaques and Eugene Giddens offer a detailed and nuanced account of the initial publication of Alice's *Adventures in Wonderland* and *Through the Looking Glass* and investigate how their subsequent transformations through print illustration film song music videos and even stamp cases and biscuit tins affected the reception of these childhood favourites The authors consider issues related to the orality of the original tale and its impact on subsequent transmission the differences between the manuscripts and printed editions and the politics of writing and publishing for children in the 1860s In addition they take account of Carroll's own responses to the books popularity including his writing of major adaptations and a significant body of meta textual commentary and his reactions to the staging of Alice in *Wonderland* Attentive to the child reader how changing notions of childhood identity and needs affected shifting narratives of the story and the representation of the child's body by various illustrators the authors also make a significant contribution to childhood studies

The Alice Companion Jo Elwyn Jones, J. Francis Gladstone, 1998 This extraordinary companion to the Alice books offers not simply an explanation of the characters and situations that fill their pages but explains how they relate to the life and experiences of Lewis Carroll

Fashioning Alice Kiera Vaclavik, 2019-02-07 150 years after Alice's *Adventures in*

Wonderland was first published Lewis Carroll's eponymous heroine has become one of the most familiar figures in the cultural landscape The enduringly iconic figure of the Victorian child Alice has inspired countless fashion designers illustrators and stylists The Alice Look has been embraced across the world by young and old alike and by both the feted and the forgotten Fashioning Alice is the first book to chart the emergence of Alice as a style icon Kiera Vaclavik traces the evolution of Alice's visual identity in the nineteenth century and explores the myriad ways in which she was dressed on the page on the stage and in the home The book also draws on historical sources to examine amateur performance and play not just in the UK but in the USA Japan and Australia Illustrated throughout Fashioning Alice is a ground breaking exploration of Alice's visual career that offers a compelling case study of the intersections between fashion and fiction

The Story of Alice Robert Douglas-Fairhurst, 2016-08-15 Following his acclaimed life of Dickens Robert Douglas Fairhurst illuminates the tangled history of two lives and two books Drawing on numerous unpublished sources he examines in detail the peculiar friendship between the Oxford mathematician Charles Dodgson Lewis Carroll and Alice Liddell the child for whom he invented the Alice stories and analyzes how this relationship stirred Carroll's imagination and influenced the creation of Wonderland It also explains why Alice in Wonderland 1865 and its sequel Through the Looking Glass 1871 took on an unstoppable cultural momentum in the Victorian era and why a century and a half later they continue to enthrall and delight readers of all ages The Story of Alice reveals Carroll as both an innovator and a stodgy traditionalist entrenched in habits and routines He had a keen double interest in keeping things moving and keeping them just as they are In Looking Glass Land Alice must run faster and faster just to stay in one place Tracing the development of the Alice books from their inception in 1862 to Liddell's death in 1934 Douglas Fairhurst also provides a keyhole through which to observe a larger shifting cultural landscape the birth of photography changing definitions of childhood murky questions about sex and sexuality and the relationship between Carroll's books and other works of Victorian literature In the stormy transition from the Victorian to the modern era Douglas Fairhurst shows Wonderland became a sheltered world apart where the line between the actual and the possible was continually blurred

Alice in Wonderland (Third International Student Edition) (Norton Critical Editions) Lewis Carroll, 2016-04-04 Newly discovered letters by Lewis Carroll an expanded selection of diary excerpts and a wealth of new biographical materials are some of the features of this revised Norton Critical Edition This perennially popular Norton Critical Edition again reprints the 1897 editions of Alice's Adventures in Wonderland and Through the Looking Glass along with the 1876 edition of The Hunting of the Snark Each text is fully annotated and the original illustrations are included An unusually rich Backgrounds section is arranged to correspond with three clearly defined periods in Lewis Carroll's life Letters and diary entries interwoven within each period emphasize the biographical dimension of Carroll's writing Readers gain an understanding of the author's family and education the evolution of the Alice books and Carroll's later years through his own words and through important scholarly work on his faith life and his relationships with women and with Alice

Hargreaves and her family Reflecting the wealth of new scholarship on Alice in Wonderland and Lewis Carroll published since the last edition Donald Gray has chosen eleven new critical works while retaining five seminal works from the previous edition Two early pieces an essay by Charles Dickens and poem by Christina Rossetti take a satirical look at children's literature The nine new recent essays are by James R Kincaid Marah Gubar Robert M Pilemus Jean Jacques Lecercle Gilles Deleuze Roger Taylor Carol Mavor Jean Gattano and Helena M Pycior The Selected Bibliography has been updated and expanded

Iris Murdoch: Texts and Contexts A. Rowe, 2012-07-30 Using unpublished archive material including correspondence and the many annotations Murdoch made to the books held in her Oxford library this book offers fresh insights into Murdoch's work by placing it within a diversity of new contexts It also reveals startling parallels between Murdoch's work and other literary and philosophical texts

MISREADING SIGNS, 2016-11-18 The aim of the following dissertation is an analysis of Lewis Carroll's Alice in Wonderland and Through the Looking Glass in regard to the uncanny and its relation to language For the purpose of the study on the psychoanalytical concept of the uncanny in connection with linguistic theory the most important theories have been evaluated in the first chapter of the dissertation titled The Concept of the Uncanny and its Relation to Language Afterwards the chapter The Uncanny and Language in Lewis Carroll's Alice in Wonderland and Through the Looking Glass applies the acquired theoretical framework to the two selected texts in order to understand the different ways in which Carroll manipulates language in order to create an uncanny atmosphere

Encyclopedia of the British Novel Virginia Brackett, Victoria Gaydosik, 2015-04-22 Praise for the print edition comprehensive Recommended

Right here, we have countless ebook **Alice Companion Guide Carrolls Bks** and collections to check out. We additionally have enough money variant types and as well as type of the books to browse. The enjoyable book, fiction, history, novel, scientific research, as competently as various other sorts of books are readily open here.
