Christiana van Houten

Alien Way The:

The Alien Way Gordon R. Dickson, 2013-12-18 One man is mentally linked to an alien who is spearheading an invasion of Earth a group of soldiers fight to win new space for Earth and a small group of men fight against a machine that controls all life

The Alien in Israelite Law Christiana van Houten, 1991-08-01 One of the first systematic and critical reconstructions of the history of the social class of aliens in ancient society this study develops new insights gained from the sociological approach to biblical literature As Israel developed from tribal society to state from state to confessional community and from confessional community to province the identity and legal status of the alien developed in a concomitant way Laws which initially afforded the alien only partial social and cultic inclusion in the pre exilic period eventually required complete equality between the alien and Israelite in the postexilic period

Cleopatra Incarnate and the great alien mother snake Katrina Morrow, 2023-05-30 Cleopatra a Queen and the last Pharaoh of Egypt comes from space as the most prominent foreign galactic being ever to walk the face of the Earth As the Egyptians believed that in death all would recycle and renew into new life so Cleopatra is reborn again through a woman of the American Civil Rights Era and then she is born again through another young woman of the American aughts In this incarnate story Cleopatra is something other than human as she embarks on a journey on Earth in the name of truth justice and union of Earth and the rest of space She is poetic and speaks the language of outer space as she faces trials on Earth and asks her old notorious snake that took her life to guide her through Earth s authorities accusations against her As the ancient war between Rome and Egypt lead to her demise her alien spirit takes flight into the American Era where trials are wavering in two different human women that embody the very alien spirit of Cleopatra

Alien and Philosophy Jeffrey A. Ewing, Kevin S. Decker, 2017-03-27 Alien and Philosophy I Infest Therefore I Am presents a philosophical exploration of the world of Alien the simultaneously horrifying and thought provoking sci fi horror masterpiece and the film franchise it spawned The first book dedicated to exploring the philosophy raised by one of the most successful and influential sci fi franchises of modern times Features contributions from an acclaimed team of scholars of philosophy and pop culture led by highly experienced volume editors Explores a huge range of topics that include the philosophy of fear Just Wars bio weaponry feminism and matriarchs perfect killers contagion violation employee rights and Artificial Intelligence Includes coverage of H R Giger s aesthetics the literary influences of H P Lovecraft sci fi and the legacy of Vietnam and much more

The Latinx Files Matthew David Goodwin, 2021-05-14 In *The Latinx Files* Matthew David Goodwin traces how Latinx science fiction writers are reclaiming the space alien from its xenophobic legacy in the science fiction genre The book argues that the space alien is a vital Latinx figure preserving Latinx cultures by activating the myriad possible constructions of the space alien to represent race and migration in the popular imagination The works discussed in this book including those of H G Wells Gloria Anzald a Junot Diaz Andr M Carrington and many others often explicitly reject the derogatory correlation of the space alien and Latinxs while at other times they contain space aliens

that function as a source of either enlightenment or horror for Latinx communities Throughout this nuanced analysis *The Latinx Files* demonstrates how the character of the space alien has been significant to Latinx communities and has great potential for future writers and artists

The Future of Language Philip Seargeant, 2023-11-02 Will language as we know it cease to exist What could this mean for the way we live our lives Shining a light on the technology currently being developed to revolutionise communication *The Future of Language* distinguishes myth from reality and superstition from scientifically based prediction as it plots out the importance of language and raises questions about its future From the rise of artificial intelligence and speaking robots to brain implants and computer facilitated telepathy language and communications expert Philip Seargeant surveys the development of new digital languages such as emojis animated gifs and memes and investigates how conventions of spoken and written language are being modified by new trends in communication From George Orwell's fictional predictions in *Nineteen Eighty Four* to the very real warnings of climate activist Greta Thunberg Seargeant explores language through time traversing politics religion philosophy literature and of course technology in the process Tracing how previous eras have imagined the future of language from the Bible to the works H G Wells and from *Star Wars* to *Star Trek* the book reveals how perfecting language and communication has always been a vital component of utopian dreams of the future Questioning the potential ramifications of recent and future developments in communication on society and its ideals *The Future of Language* is a no holds barred investigation into the state of civilisation and the impact that changes in language could have on our lives

Aliens in Medieval Law Keechang Kim, Ki-ch'ang Kim, 2000-12-07 An original reinterpretation of the legal aspects of feudalism and the important distinction between citizens and non citizens

The Spectacle of Isolation in Horror Films Carl Royer, B Lee Cooper, 2013-02-01 Go behind the scenes with an insightful look at horror films and the directors who create them *The Spectacle of Isolation in Horror Films* Dark Parades examines the work of several of the genre's most influential directors and investigates how traditional themes of isolation alienation death and transformation have helped build the foundation of horror cinema Authors Carl and Diana Royer examine the techniques used by Alfred Hitchcock that place his work squarely in the horror rather than suspense genre discuss avant garde cinema's contributions to mainstream horror explore films that use the apartment setting as the cell of horror and analyze how angels and aliens function as the supernatural Other A unique resource for film students and film buffs alike the book also examines Sam Raimi's *Evil Dead* trilogy and the fusion of science technology and quasi religious themes in David Cronenberg's films Instead of presenting a general overview of the horror genre or an analysis of a specific sub genre actor or director *The Spectacle of Isolation in Horror Films* offers an imaginative look at classic and contemporary horror cinema The book examines Surrealist films such as *Un Chien Andalou* and *Freaks* the connections among the concepts of voyeurism paranoia and alienation in films like *Rear Window* *Rosemary's Baby* *Blue Velvet* and *The Blair Witch Project* the use of otherworldly creatures in films such as *The Prophecy* *Dogma* and *The Day The Earth Stood Still* and the films of directors George Romero

John Waters and Darren Aronofsky to name just a few This unique book also includes an extensive A to Z filmography and a bibliography of writings on and about horror cinema from filmmakers film critics and film historians The Spectacle of Isolation in Horror Films examines Body Doubles and Severed Handsthe common ancestry of avant garde art films and exploitation horror B movies And I Brought You Nightmaresrecurring themes of psychological terror in Alfred Hitchcock s films Horror Humor PoetrySam Raimi s transformation of drive in horror cinema Atheism and The Death of Affect David Cronenberg s obsessions interests and cautionary messages in films ranging from Videodrome to Dead Ringers to eXistenZ and much more The Spectacle of Isolation in Horror Films Dark Parades is a unique resource of critical analysis for academics working in film and popular culture film historians and anyone interested in horror cinema *Economic and Demographic Consequences of Immigration* United States. Congress. Joint Economic Committee. Subcommittee on Economic Resources, Competitiveness, and Security Economics,1987 *Reasonable Disagreement* Christopher McMahon,2009-07-16 This book examines the ways in which reasonable people can disagree about the requirements of political morality Christopher McMahon argues that there will be a zone of reasonable disagreement surrounding most questions of political morality Moral notions of right and wrong evolve over time as new zones of reasonable disagreement emerge out of old ones thus political morality is both different in different societies with varying histories and different now from what it was in the past McMahon explores this feature of his theory in detail and traces its implications for the possibility of making moral judgments about other polities past or present His study sheds light on an important and often overlooked aspect of political life and will be of interest to a wide range of readers in moral and political philosophy and in political theory
