All about Politics Paul Anthony Theis, William P. Steponkus, 1972 *All about politics* Paul A. Theis, William P. Steponkus, 1972 Resources in Education , 1990-05 **US Defense Politics** Harvey M. Sapolsky, Eugene Gholz, Caitlin Talmadge, 2017-09-19 This book provides an accessible overview of US defense politics for upper level students This new edition has been fully updated and revised with a new chapter on veterans and new material on topics such as cyberwarfare and lobbying Analyzing the ways in which the United States prepares for war the authors demonstrate how political and organizational interests determine US defense policy and warn against over emphasis on planning centralization and technocracy Emphasizing the process of defense policy making rather than just the outcomes of that process US Defense Politics departs from the traditional style of many other textbooks Designed to help students understand the practical side of American national security policy the book examines the following key themes US grand strategy who joins America s military how and why weapons are bought the management of defense public attitudes toward the military and casualties the roles of the president and the Congress in controlling the military the effects of 9 11 and the Global War on Terror on security policy homeland security government reorganizations and intra and inter service relations The third edition will be essential reading for students of US defense politics national security policy and homeland security and highly recommended for students of US foreign policy public policy and public administration From Buddy to Boss, 2nd Ed Chase Sargent, 2018-04-13 Professional development and leadership with you in mind A good friend once said about Chase Sargent that he s a very intelligent man but he sure does tick people off sometimes Sargent doesn t disagree He may have made some people mad but he wishes he had done it more often to get this point across Leadership in all aspects of life is sorely lacking The second edition of From Buddy to Boss Effective Fire Service Leadership reinforces the fact that the fire service is screaming for leaders as men and women discover that leadership is important to their existence and success Being a firefighter can be tiring and frustrating but it can be rewarding It s not only about the job but also about raising kids managing your life and trying to be a good person attached to God country family and friends says the author Many leaders today are surrounded by external politics hidden agendas fiscal constraints and manipulative people Consider these factors when navigating your career Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader Before he went into teaching this subject It became apparent very quickly that the leadership and human resources training being provided was as scarce as water in a desert and that the re service was thirsty This new second edition includes must read topics on leadership lessons from the War in Iraq knowing death in the fire service and providing leadership in large scale disasters This book will change your life **American Defense Policy** Peter L. Hays, Brenda J. Vallance, Alan R. Van Tassell, 1997 defense policies reviewing excerpts from key defense policy statements and assessing the likely challenges for future policy makers Brent Scowcroft International Affairs **Princeton**
