Are you interested in a weight loss program that has been proven to work? Have you tried multiple diets in the past and failed every time? Are you sick and tired of not being able to get the body you want? If you answer Yes, then this book is for you. Intermittent fasting is best done as part of a healthy, well-balanced diet and lifestyle. It is a risk-free, uncomplicated way of keeping weight off and maintaining a strong body. Most healthy adults should have no trouble adapting to this eating plan.
