Bismarck North Dakota Images Of America:

Dr. Henry R. Porter L.G. Walker, Jr., M.D., 2010-07-27 Custer came to me and said Porter there is a large camp of Indians ahead and we are going to have a great killing The words of army contract surgeon Henry R Porter are chilling today in their matter of fact reference to the battle to come a battle of which Porter would be one of the few white survivors Drawing on his writings this biography tells the story of Porter s transformation from young easterner to ambitious frontier settler and medical practitioner in mid 19th century America In its details of frontier life of the infamous Battle of Little Bighorn and of Porter s later travels around the world which ended with his death in Agra India the reader finds richness that brings history vividly to life Appendices contain a list of items from the North Dakota Historical Society s Henry R Porter collection and a detailed Porter lineage **American Photo - ND** ,1938-11 **Reading American Photographs** Alan Trachtenberg,1990-11 Considers five documentary sequences or narratives the antebellum portraits of Mathew Brady and others the Civil War albums of Alexander Gardner George Barnard and A J Russell the Western survey and landscape photographs of Timothy O Sullivan A J Russell and Carleton Watkins and social photographs and texts by Alfred Stieglitz and Lewis Hine as well as documentaries inspired by the Depression esp Walker Evans s American Photographs North Dakota Larry Aasen,2000 During the early years of the 20th century American families witnessed amazing changes in their daily lives the arrival of plumbing and electricity in their homes the first automobiles and thanks to the Eastman Kodak Company the first affordable portable photographic instrument the box camera Many families purchased the box camera for 1 and began to document their own histories It is upon these histories that North Dakota places its focus Nowhere were the changes so dramatic as on the Great Plains and in the state of North Dakota especially Due to the huge influx of immigrants mostly from Scandinavia the state s population more than doubled from 1900 to 1940 roughly the period covered in North Dakota But this was also a time of hardship and struggle as the Great Depression the Dustbowl and war took their toll on North Dakota families But through hard work and perseverance most of these families survived and thrived and now share with us the story of that time American Photo ,1999-05 *Icons of the American West* Gordon Morris Bakken,2008-06-30 The American West is rich in lore cultural roots and iconic images The subject of countless movies books and songs in many ways it embodies the American spirit This lively two volume set presents the stories of some of the most influential and representative Western icons those that have captured the nation s imagination since the early days of westward exploration and that continue to do so within the environmental and technological frontier that is the modern West This accessible treatment of the untamed enterprise of the Old West including cowboys wild west shows and gun battles and the continued entrepreneurial imagination of the paradisaical New West including environmentalists and the incorporation of national parks elevates the reader s understanding of oft romanticized subjects and the conflicts and cultural changes that made them icons Narrative entries include Chief Joseph George Armstrong Custer Gold Rush Winchester Model 1873

Frederic Remington John Muir Las Vegas Bill Gates Disneyland Yellowstone National Park Sierra Club With vibrant photos and descriptive sidebars this comprehensive set is a must have for students of American history and culture **Hollywood or History** Scott L. Roberts, Charles J. Elfer, 2018-07-01 Teaching and learning through Hollywood or commercial film productions is anything but a new approach and has been something of a mainstay in the classroom for nearly a century Purposeful and effective instruction through film however is not problem free and there are many challenges that accompany classroom applications of Hollywood motion pictures In response to the problems and possibilities associated with teaching through film we have collaboratively developed a collection of practical classroom ready lesson ideas that might bridge gaps between theory and practice and assist teachers endeavoring to make effective use of film in their classrooms We believe that film can serve as a powerful tool in the social studies classroom and where appropriately utilized foster critical thinking and civic mindedness The College Career and Civic Life C3 framework represents a renewed and formalized emphasis on the perennial social studies goals of deep thinking reading and writing We believe that as teachers endeavor to digest and implement the platform in schools and classrooms across the country the desire for access to structured strategies that lead to more active and rigorous investigation in the social studies classroom will grow increasingly acute Our hope is that this edited book might play a small role in the larger project of supporting practitioners specifically K 12 teachers of United States history by offering a collection of classroom ready tools based on the Hollywood or History strategy and designed to foster historical inquiry through the careful use of historically themed motion pictures The book consists of K 5 and 6 12 lesson plans addressing the following historical eras Adapted from UCLA National Center for History in Schools **The Bicentennial of the United States of America** American Revolution Bicentennial Administration, 1977 **The Meiji Restoration** Robert Hellyer, Harald Fuess, 2020-05-07 This volume examines the Meiji Restoration through a global history lens to re interpret the formation of a globally cast Japanese nation state **Belle Baranceanu** Jennifer Peoples Hernandez, 2023-01-20 In this first biography of artist Belle Goldschlager Baranceanu Jennifer Peoples Hernandez tells the extraordinary story of a woman who rose from humble beginnings to become the most important female muralist in San Diego during the Great Depression and a prominent California Modern artist Her meteoric rise in the art world began in Chicago in the 1920s but the onset of the Great Depression nearly ended her career Drawing from previously unpublished letters and archival records Hernandez skillfully weaves Baranceanu s resilient story into the larger history of the Depression and New Deal in Chicago and San Diego and highlights the success of the government s work relief programs For Baranceanu and others fortunate enough to work for the New Deal art projects the Depression turned out to be a golden age in American art history with a level of government patronage that has been unmatched ever since
